#### Turlock City Council

#### **PURPOSE**

The Turlock City Council is comprised of one Mayor and four Councilmembers, each serving a four-year term. The City is divided into four electoral districts with one council representation per district. The Mayor and City Treasurer serve at-large. The City of Turlock utilizes a Council-Manager form of Government. Under the Council-Manager form, the elected officials are the legislative body and the community's policy makers. The elected officials focus on the community's big picture goals and long-term vision. The Council is responsible for setting policy, adopting local laws and regulations, approving contracts, awarding projects, and adopting the annual budget.

#### **PROGRAMS**

The City Council adopts programs for the City's physical, cultural, and economic growth, and provides vision for the City of Turlock. In addition, the City Council serves as the Executive Board of the Successor Agency to the Turlock Redevelopment Agency and the Turlock Public Financing Authority. The City Council meets at 6:00 p.m. at Turlock City Hall on the second and fourth Tuesdays of every month with a duly noticed agenda. Citizen participation is encouraged and welcomed in the decision-making process. Community engagement is critical to the success of the implementation of programs adopted by the Council.

- Direct the implementation of the programs, plans, and expenditures defined in the budget.
- Adopt local laws and regulations necessary to implement the Council established long-term vision.

#### Turlock City Manager

#### **PURPOSE**

The City Manager is designated by the Turlock Municipal Code as the administrative head of the municipal government. The City Manager is responsible for setting goals and providing administrative direction for all City departments in accordance with policies established by the City Council. The City Manager is instrumental in helping achieve the goals of effective leadership, fiscal responsibility, and economic development.

#### **PROGRAMS**

The City Manager serves as the chief advisor to the City Council by providing complete and objective information about local operations, presenting options, and offering an assessment of the long-term impacts of decisions and providing professional recommendations. The City Manager represents the City in various relationships with local, regional, state, and national organizations. The City Manager is also responsible for managing the ability of the City to provide service to its residents and monitoring the activities of City operations to ensure cost effective, efficient, and equitable delivery of City services. Furthermore, the City Manager is responsible for implementing Council adopted policies and programs designed to continually improve services to the citizens of Turlock. In addition, the City Manager serves as the Executive Director of the Successor Agency to the Turlock Redevelopment Agency and the Turlock Public Financing Authority.

- Provide ongoing support to the City Council's vision of the future of Turlock.
- Manage the implementation of the City Council's policies, programs, goals, and objectives as defined in the budget.
- Risk Management, in conjunction with the Human Resources Division

#### Turlock City Clerk

#### **PURPOSE**

The City Clerk is the local official for elections, local legislation, the Public Records Act, the Political Reform Act, and the Brown Act (open meeting laws). The City Clerk is also instrumental in helping achieve the goals of effective leadership and policy set forth by the City Manager and City Council.

#### **PROGRAMS**

The statutes of the State of California prescribe the basic functions and duties of the City Clerk. The Government Code and Elections Code provide precise and specific responsibilities and procedures to follow.

- Legislative Administrator oversees the preparation, distribution, and posting of agendas, ensures legal notices are published and posted, attends meetings, and records official decisions made by the City Council.
- Records Manager oversees the preservation, maintenance, and accessibility of public records, transcribes official minutes, resolutions, and ordinances adopted by the City Council, and coordinates updates to the Municipal Code.
- Elections Official administers the local elections process, coordinates with the County of Stanislaus to conduct election services, assists candidates with filing responsibilities, and declares elections results.
- Political Reform Filing Officer serves as compliance officer for Form 700 Statement of Economic Interests and Campaign Finance forms.

- Prepare, distribute, and post agendas and public notices in accordance with state laws.
- Maintain official records and archives.
- Conduct fair and impartial elections.
- Respond to public inquiries and requests; provide high level of customer service.
- Contribute to the effective leadership of the organization.

#### **Finance**

#### **PURPOSE**

The Finance Division includes the functions of Finance, Accounting, Purchasing and Treasury. It is responsible for maintaining the City's accounting system, including the budget and financial reports. The Finance Division serves the City's Strategic Plan Policy Initiative of Fiscal Responsibility. This division's budget not reported elsewhere includes ten full-time staff. Finance also funds the Treasurer position, which serves as an elected official. The total expenditure budget for the Finance Division for FY 22/23 is \$1,844,809.

#### **PROGRAMS**

Developing, implementing and maintaining the City's accounting system, annual budget, annual audit, grant reporting, State Controller's reporting, cash reconciliation, purchasing, debt administration and financial investments.

- Ensure that all financial transactions are accurately recorded and reported in accordance with generally accepted accounting principals (GAAP).
- Invest and report on the City's idle funds in accordance with the City's investment policy and the California Government Code.
- Prepare the City's budget document as a comprehensive, understandable guide to the City's annual financial operations.
- Oversee the City's annual audit and preparation of the City's annual Financial Statements as a comprehensive document presenting all financial activities of the City.
- Ensure the City's purchasing policies and procedures are being followed and all purchasing guidelines are being adhered to, including the Turlock Municipal Code.
- Maintain appropriate and adequate internal controls to ensure the safeguarding of the City's assets and mitigate any potential risks to these assets and the stability of the City.

### **Human Resources**

#### **PURPOSE**

Human Resources administers a wide range of programs including employee benefits and retirement, recruitment and selection, policy and procedure development, classification and compensation studies, training and development, labor and employee relations, workers' compensation and safety, risk management, and other related personnel programs. Human Resources leads City departments in positive employee relations, talent management, succession planning, and employee engagement. The division has three full-time employees, part-time employees, and volunteers/interns with an annual budget of \$1,564,161.

#### **PROGRAMS**

Human Resources is responsible for the following three personnel categories:

- 1) Compensation and Classification
- 2) Employee Benefits
- 3) Risk Management, in conjunction with the City Manager's Office

These functions include recruitment and selection, onboarding/offboarding, salary administration including compensation and classification, benefits administration, personnel guidance and proper adherence of labor laws, progressive employee discipline, labor contract administration, workers' compensation/ industrial injuries, manage City liability policies and agreements, employee certification and training, implement and maintain risk management programs, maintain security access to all City buildings, and maintain all related records and reports.

### **Payroll**

#### **PURPOSE**

Payroll works in conjunction with Human Resources to administer employee benefits and retirement, labor and employee relations, workers' compensation, benefits for industrial injuries and LTD administration. They assist with labor contract administration, prepare and issue all payroll checks and maintain all related records and reports. The division has two employees with an annual budget of \$458,789 for FY 22/23.

### General Government

#### **PURPOSE**

The General Government division accounts for those expenditures funded with General Fund dollars which provide City-wide benefit or which are not allocable to a specific General Fund function. In many cities these are referred to as "Non-Departmental" expenditures. Examples of these expenditures include maintenance of shared City facilities, county property tax administrative fees, master plan and specific plan activities that are in the early development stages and General Fund contributions to infrastructure projects.

### COVID 19 (Corona Virus)

#### **PURPOSE**

The COVID-19 virus was first detected in Wuhan City, China in December 2019. This symptoms of COVID-19 range from mild to severe, including death. On March 4, 2020, the Governor of the State of California declared a state of emergency in the State of California due to the number of confirmed cases of COVID-19 in the State. On March 11, 2020, the World Health Organization ("WHO") officially classified COVID-19 as a pandemic. On March 13, 2020, the President of the United States declared a national emergency due to COVID-19.

On March 17, 2020, the Director of Emergency Services proclaimed the existance of a local emergency in the City based on conditions or threatened conditions caused by COVID-19 which has been ratified on a monthly basis subsequent to the initial declaration and continues to date.

On March 27, 2020, the federal government passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act to provide emergency assistance and health care response for individuals, families, and businesses affected by the cornonavirus pandemic. The City of Turlock's share of CARES funding totaled \$2,508,417 from the Federal Government and \$917,463 from the County of Stanislaus for a total of \$3,425,880.

These funds have been utilized to assist small businesses with business grants, StanRAD cards, and the VOLT Scholarship program. The CARES Act funds have also been utilized to provide full staffing levels at all four Fire Stations during Fiscal Year 20-21 and support public safety whose services are substantially dedicated to mitigating or responding to the COVID-19 public health emergency. The CARES Act funds have also been utilized to provide PPE (personal protective equipment) to City staff and increase sanitizing of public facilities to assist in mitigating the spread of the Coronavirus, which are all eligible expenditures of these funds.

The declaration of the existance of a local emergency in the City continues into Fiscal Year 21-22. The City will continue to respond to the pandemic and utilize resources available to mitigate risks to the Community.

# Unsheltered Homeless and Encampments Crisis (UHEC)

#### **PURPOSE**

The City of Turlock has been experiencing an increase in the numbers of unsheltered homeless and of significant homeless encampments, compounded in severity by the COVID-19 pandemic, which has also impeded the City's ability to address these increases.

On March 14, 2021, the City Manager of the City of Turlock proclaimed a Local Emergency in response to the Unsheltered Homeless and Encampments Crisis and allocated funds to address this crisis. No funds are budgeted to expend during fiscal year 2022-23, as these are expected to be expended during fiscal year 2021-22.

City staff engaged in a 120-day local emergency plan beginning March 14, 2021, to partner with service providers to connect unsheltered individuals and families with emergency shelter and other available resources. The City also plans to develop a 36-month plan to address the Unsheltered Homeless and Encampments Crisis beyond the initial emergency response.

### **Homeless Response**

#### **PURPOSE**

The City of Turlock recognizes the need for a compassionate response to homelessness through outreach, engagement, and linking services to our homeless residents.

The City of Turlock, in conjunction with numerous non-profit organizations, is focused on providing access to health care, mental health treatment, and housing services for our unsheltered homeless population.

The City's part-time Homeless Program Coordinator will be the link between City services, Stanislaus County outreach teams, and our local homeless non-profit organizations. These partnerships are incredibly important to establish supportive relationships with our homeless residents, provide supportive services, and help remove homeless residents off the streets and into supportive services and housing.

### Fund 111 - General Fund Reserve

#### **PURPOSE**

This fund was established in 1992 to provide a contingency fund for economic cycle fluctuations that affect City revenue generation; to secure greater stability in multi-year municipal financing; and to safeguard the public welfare and interest to provide continued service delivery to the Turlock residents. The City's 2011-2013 Strategic Plan continues to emphasize Fiscal Responsibility as one of seven specific Policy Initiatives.

The General Fund Reserve account shall only be used for purposes specified in the Municipal Code and requires approval by a four-fifths (4/5ths) vote of the City Council.

We have met the minimum deposit amount established by Ordinance 781-CS of 7% of the General Fund budget. Resolution 2011-123 establishes and approves the General Fund Emergency/Contingency Reserve at \$6.5 million for the fiscal year ending June 30, 2011 and hereafter unless amended by Resolution. The General Fund reserve is set at the greater of \$6.5 million set by Resolution 2011-123 or 7% of the General Fund budget set by Ordinance 781-CS.

### Fund 115 - Measure A Roads

#### **PURPOSE**

The Turlock City Council approved the usage of 50% of Measure A sales tax revenue be utilized for Roads within the city limits of the City of Turlock. The City of Turlock established a separate fund to track the activities related to the Roads Program.

In Spring of 2021, Mayor Bublak announced the Roads Program Initiative with the following goals:

- Increase the funding for road rehabilitation projects
- Prepare more shovel ready projects
- Explore expedited project delivery
- Rehabilitate all roads in the City within 5 years

The City has since procured the services of a consulting firm to evaluate the existing infrastructure, collect data by means of LiDAR, laser and optical methods (LCMS), update the StreetSaver data, perform budget analyses and maintenance/rehabilitation needs assessment, and conduct public meetings and workshops with the City Council to develop a 5-year Roads Program CIP. The consulting firm is also designing the rehabilitation of fifteen (15) streets throughout the City with construction to take place in FY 2022-23.

For FY 22-23, the City is projecting sales tax revenues of \$14.350 million dollars generated from Measure A, of which 50% (\$7.175 million dollars) is allocated for Roads projects.

### Fund 117 - Cannabis

#### **PURPOSE**

The City of Turlock established a separate fund to track Cannabis revenue and expenses commencing in FY 20-21 and all subsequent fiscal years. On June 11, 2019, the City adopted Ordinance No. 1255-CS amending the Turlock Municipal Code Title 5, Chapter 5-21, to establish a commercial cannabis pilot program to allow all cannabis businesses permitted by state law. On January 14, 2020, Resolution No. 2020-003 was adopted by Council, approving a policy on the use of cannabis derived public benefit revenues from development agreements.

Currently, there are two dispensaries conducting business in the City of Turlock since FY 20-21 and continue to conduct business into FY 22-23. Revenue of \$1.337 million is projected for FY 22-23 from the public benefit amount of 5.25% as well as sales tax generated from cannabis sales.

### Fund 118 - Measure A

#### **PURPOSE**

The City of Turlock established a separate fund to track revenues derived from the passage of Measure A approved by voters on November 3, 2020, to take effect April 1, 2021. Measure A is a local three-quarter (3/4) cent transaction (sales) and use tax for general City revenue

On July 6, 2020, the Turlock Municipal Code Title 3, chapter 3-11, was amended by Ordinance No. 1281-CS. Measure A contains tough fiscal accountability provisions including annual independent financial audits, citizen oversight, and public disclosure of spending to ensure funds are used efficiently, effectively, and as promised.

For FY 22-23, the City is projecting sales tax revenues of \$14.350 million dollars generated from Measure A, of which 50% (\$7.175 million dollars) is allocated for Non-Roads expenses, such as public safety.

# Fund 119 - American Rescue Plan Act (ARPA)

#### **PURPOSE**

On March 11, 2021, the American Rescue Plan Act (ARPA) was signed into law and established the Coronavirus State Fiscal Recovery Fund and Coronavirus Local Fiscal Recovery Funds, which together make up the Coronavirus State and Local Fiscal Recovery Funds ("SLFRF") program. This program is intended to provide support to State, territorial, local, and Tribal governments in responding to economic and public health impacts of COVID-19 and in their efforts to contain impacts on their communities, residents, and businesses.

Congress has allocated \$350 billion in Coronavirus State Fiscal Recovery Funds for state, local, territorial, and Tribal governments, marking the first time in history funding has been allocated directly to local governments from the Federal government.

The City of Turlock has been allocated \$15,753,190 to come directly from the U.S. Department of Treasury. The City of Turlock has until December 31, 2024 to obligate the funds and until December 31, 2026 to fully expend the funds for eligible costs as summarized in the Final Rule dated January 27, 2022.

The City of Turlock received the first tranche of \$7,867,595 in July of 2021 with the second tranche expected one year from the first tranche, projected to be July of 2022.

### Fund 120 Tourism

#### **PURPOSE**

The City of Turlock collects a 9% Transient Occupancy Tax. Of that, one third is dedicated to tourism services and related expenses and is accounted for in Fund 120 Tourism.

#### **GOALS AND OBJECTIVES**

- Work closely with local hoteliers to support tourism efforts in our community.
- Foster partnerships with California State University Stanislaus, The Stanislaus County Fairgrounds and local industry to promote tourism and business travel.
- Support special events that draw visitors to the community.
- Contribute toward the ongoing operation and capital improvement of the sports complexes.

# Fund 227 - Public Safety Tax

### **PURPOSE**

This tax was established to be used solely for the acquisition, replacement, improvement and expansion of public safety equipment and facilities of the Police and Fire departments of the City of Turlock. The establishment and use of this tax is consistent with the Public Safety initiative stated in the 2011-2013 Strategic Plan.

# Fund 231 - Community Facilities District #2

### **PURPOSE**

The Turlock Community Facilities District No. 2 (Services Mitigation) was formed in October, 2004 under the terms of the Mello-Roos Community Facilities Act of 1982. The District was formed in an effort to mitigate the effect new development was projected to have on existing General Fund funded city services - specifically public safety and park maintenance services. Any new residential development which does not already have entitlements based on existing zoning is required to annex to CFD No. 2 as a condition of development. The maximum annual special assessment for a single family residential unit is stated in the implementing resolution (Resolution No. 2004-220).

The 2006-07 fiscal year was the first year a special assessment for CFD No. 2 was placed on the tax roll. Residential units within the boundaries of CFD No. 2 become taxable units after they receive their final building inspection. July 1 of each year is used as the cut off date for placing a parcel on the tax roll. The maximum annual assessment for a single family residential unit is \$400 for the first three years of the District (first year is 2005-06 fiscal year), \$500 for the next three years, and \$600 for the following three years. Starting in year 10 (fiscal year 2014-15) of the CFD, the \$600 annual assessment will increase by 2% per year, compounded annually. For the 2022-23 fiscal year, the annual amount assessed per parcel is \$716.

#### **PROGRAMS**

The "Final Hearing Report" for CFD #2 contains per residential unit costs associated with providing police, fire and parks maintenance services. These per unit costs are being used as the basis for the allocation of revenues received.

The budget includes transfers to the General Fund departmental budgets for Police, Fire and Park Maintenance to offset the effects development has had on their operating budgets.

### Fund 621 - Successor Agency - Non LMI

### **PURPOSE**

The Turlock Redevelopment Agency was first activated in 1993 and amended in 1996. The total area covered just over 4.300 acres in the City of Turlock. The Agency's primary mission was to eliminate blight within the designated project area as well as promote economic development, help provide essential public facilities, and reconstruct and rehabilitate blighted properties. The general goals and objectives of the Agency were set forth in the Agency's Fiveyear Implementation Plan.

Funds 621 and 625 reflect the changes necessary with the implementation of AB 1X 26 which dissolved redevelopment agencies in California. No new projects or additional tax increment is reflected. The legislation provides for a maximum of \$250,000 for staffing purposes for the Successor Agency to carry-out the basic requirements of AB 1X 26 to wind down the previously existing Turlock Redevelopment Agency, implement and complete existing legal contracts and projects, and dispose of any properties held by the Agency.

The primary tasks that will be carried out include actions necessary to make outstanding bond payments and pay other enforceable obligations of the Successor Agency.

In November 2016 the Successor Agency issued refunding bonds to refinance the outstanding portion of the 1999, 2006 and 2011 Bonds which were secured with tax increment revenue by the former Redevelopment Agency.

### Fund 705 - Northwest Triangle Mello-Roos Assessment

### **PURPOSE**

The NW Triangle Mello-Roos Assessment District was established to account for the special assessment revenues assessed on properties within the District. These revenues are used to make annual principal and interest payments on the bonds issued to finance the infrastructure improvements within the District.

The infrastructure improvements included improving the Highway 99/Monte Vista Avenue Interchange, widening Monte Vista Avenue in the area surrounding the Monte Vista Shopping Center, construction of Countryside Drive through the Monte Vista Shopping Center, and realigning Tegner road south of Monte Vista Avenue. In addition, various water, wastewater and storm drainage system improvements were installed to service the commercial properties within the District's boundaries.

When the district was formed, a maximum annual assessment per parcel was established. The actual amount assessed for the past four fiscal years has been approximately 85% of the

In addition to funding the debt service as described above, the annual assessment also pays for the annual reporting requirements and incidental administrative expenses of the district.

### Fund 706 - Property and Business Improvement District #3

### **PURPOSE**

In July 2013, sufficient votes were cast from downtown property owners in favor of renewing the Property and Business Improvement District and establishing PBID #3 in downtown Turlock for a ten year period. The monies raised through the assessments provides for maintenance, events and promotion, special projects and district management.

Stanisulaus County sends the assessments collected to the City of Turlock. City Staff remits this to the Turlock Downtown and Property Owner's Association.

The Maintenance Obligations of the Turlock Downtown Property and Business Improvement District Management Plan details annual contributions to a Parking Lot Fund for the slurry seal and striping of the City owned parking lots located within the PBID every five to seven years. That Parking Lot Fund is reflected in the reserve balance for Fund 706.

The only balance in this fund is the Parking Lot Maintenance Reserve

Fund 240 - Small Equip. Replacement Fund 241 - DSD Asset Replacement Fund 242 - Computer Replacement Fund 506 - Vehicle/Equip. Replacement

### **PURPOSE**

These funds were established to hold monies set aside from the Department's operating budgets for the purchase of computer equipment in Fund 242, small equipment purchases in Fund 240, and vehicles/equipment in Fund 506.

Fund 241 holds monies set aside from Engineering, Building & Safety and Planning fees for the purchase of replacement assets.

FY 2022-2023 ADOPTED BUDGET

June 28, 2022

## Fund 510 - Worker's Comp. Insurance Fund 511 - Healthcare Fund 512 - Self Casualty Insurance & Unemployment Insurance Fund

### **PURPOSE**

The City of Turlock maintains these insurance internal service funds to account for and finance its risks of loss. Under this program, the City is self-insured for general liability, unemployment insurance, workers' compensation and employee health care.

### Fund 501 Information Technology

#### **PURPOSE**

This division manages a full range of information technology and related services for all City departments including Public Safety. These services include e-mail, Internet/Intranet, Geographic Information System (GIS), central data center operations, voice and data network management, support for mobile data units, data storage and backup management, technology support to departments for desktop computers, mobile hand held devices, printers and software acquisition and support.

#### **PROGRAMS**

Division programs include:

- Recommend, implement and maintain computer and network hardware and software solutions for all City departments. Recommend, implement and maintain I.T. infrastructure, including network servers and workstations, mobile hand held devices, emergency mobile units, network and local printers, network communication devices, phone system, switches, routers, hubs, firewalls, etc.
- Assist departments in research, development, installation and maintenance of automated solutions.
- Support Legacy applications on midrange IBM iSeries.
- Develop, maintain and continually update the GIS for internal use. This also includes phasing in of departments that are currently not participating in the GIS process.
- Develop, maintain and expand the Document Imaging System for all City departments.
- Provide assistance with conversions and maintain enterprise systems for utilities, general ledger, Community Development and Human Resources as they are implemented City wide, as well as developing programs to accompany the enterprise system. Also, support and maintain the CAD and RMS for Public Safety.
- Continue to research new technology that would best serve the community and our internal customers.
- Continually monitor our security policies and practices in all areas of the I.T. infrastructure.
- To have in place a disaster recovery plan for critical data and systems.
- To provide better service for internal and external customers by providing secure connections to outside agencies.

#### City of Turlock Proposed 22-23 Budget **Fund 501 Information Technology** FY 21-22 FY 21-22 FY 22-23 Adopted Budget FY 20-21 **Actual YTD** Amended **Account Description** Actual Budget at 4/30/21

FY 2022-2023 ADOPTED BUDGET

June 28, 2022

## Turlock Police Department

#### **PURPOSE**

Turlock Police Department is composed of both sworn and professional full time and part time employees who deliver a full range of law enforcement services to the community. New in the coming year, the department will now consist of three divisions, Field Operations, Special Operations and Support Operations. The combined General Fund expense budgets for the Police Department totals \$25,982,129 in Fiscal Year 2022-23.

### **VISION**

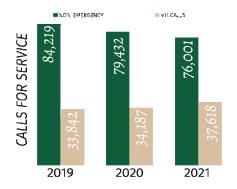

Leading the Way Through Excellence

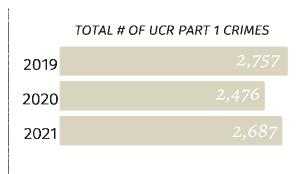

### **MISSION**

As Police professionals, we commit ourselves to public service and public safety. As dedicated public servants we strive for the continual pursuit of justice; for fair and equal application of the law; to treat all persons with dignity and respect; and conduct ourselves in accordance with the law enforcement Code of Ethics for innovative and effective management of resources and to create and maintain an atmosphere that encourages community participation and input which develops lasting partnerships and relationships.

### PRIMARY POLICE SERVICES

The Police Department will continue to work diligently to provide operational efficiencies that will deliver services for the highest priorities. We will strive to prioritize calls for service to insure we respond accordingly to threats to life, threats to persons, and property. Growth within the Department, including the addition of a Lieutenant, will allow for our Field Operations Lieutenants to work schedules that allow for them to be available as Watch Commanders outside of standard business hours. This provides time for patrol Sergeants to interact with patrol officers in the field.

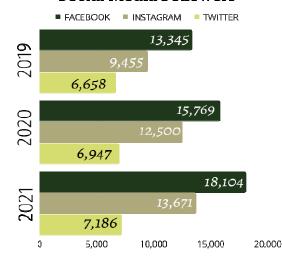

## **Turlock Police Department**

#### **CONNECTIONS WITH THE COMMUNITY**

The Turlock Police Department has engaged our community through one-on-one interactions from calls for service, attendance in numerous community events from cultural celebrations, iconic parades, celebratory events, farmers markets, school events, public meetings, business outreach, neighborhood watch and Coffee with the Chief. In addition, our outreach efforts and public information and education messaging utilizing social media has been a huge success and we continue to build in this area of communication. We continue with our daily log reports, monthly statistics reports, our annual report and our use of force reports which are also all available on line on our webpage. As part of the growth in our Department, Code Enforcement has been organizationally positioned back in the Police Department with the intention of adding additional Code Enforcement Officers to work directly with our Neighborhood Resource Officers. Through this collaboration, we will more efficiently be able to assist and engage the Community to solve quality of life issues and other related concerns. Our endeavors to continue with transparency and continued community involvement are the key to ensuring we are able to be supported by our community. The mutual trust and collaboration has been instrumental in the strong and lasting relationship we all enjoy. Our organization understands that our community's public safety needs are paramount. Our commitment to our community will never be shaken as we endeavor to continuously enhance and improve our relationships and trust through open and honest interactions and communications.

### Social Media Followers

### **Turlock Police Department**

### **PROFESSIONALISM**

The pride in professionalism within the Turlock Police Department organization is evident as demonstrated during our interactions with our community. We endeavor as an organization to maintain this level of professionalism regardless of the type of event that the interaction is occurring in, such as high-stress criminal incidents, threats to life or a low stress non-criminal event. We will continue to place an emphasis on and strive to enhance our levels of professionalism throughout our organization.

#### **EFFICIENCIES**

With growth comes the opportunity to build upon programs and services that will directly impact our Community in a positive way. With the changes taking place in the Police Department including additional staff, the addition of a third division and the Code Enforcement unit, we will be better equipped to use time and resources efficiently to engage in community and business outreach, identify current quality of life issues and work with other departments and agencies to mitigate and/or reduce complaints associated with homelessness, and other business and neighborhood issues important to our Community. This will greatly enhance our abilities to strive to keep our city vibrant and a desirable place to live.

### **BUDGET HIGHLIGHTS**

Along with general budget increases related to increased needs, maintenance and contractual items, there are notable increases taking place in FY 22-23. Updated equipment is essential for the safety of our Staff. We are dedicated to provide staff the necessary equipment to effectively and safely mitigate crisis situations in our community. Leveraging technology and equipment to provide for public safety in the City of Turlock is a priority. This can be accomplished through upgraded lethal force platforms, such as rifles; less lethal platforms, drones, license plate readers and better ballistic protection. We work to budget where needed and prioritize based on funding availability. Additionally, other increases in FY 22-23 are directly related to the growth of becoming three divisions, added positions and the addition of the Code Enforcement unit. These additions will allow for our Department to work more efficiently and cohesively while allowing us to better serve our community each day.

### Turlock Fire Department

#### **PURPOSE**

The mission of the Turlock Fire Department is to protect the lives and property of residents and visitors to our community. This is accomplished through a combination of life/safety code enforcement, public education, highly trained personnel, and top quality apparatus and equipment. We are continuously seeking ways to deliver efficient, high-quality and cost-effective services to members of our community. The total Fire Department budget for fiscal year 2022-23 is \$12,013,755.

### **PROGRAMS**

The Turlock Fire Department's mission is to protect life, property, and the environment for our community. We provide excellent customer service during our response to fires, medical emergencies and other emergency incidents, as well as in our delivery of fire prevention and community education services. We provide 24-hour emergency response out of four fire stations. Our administrative team supports operations, training, EMS, and fire prevention services, and we receive administrative oversight from Modesto Fire Department. We strongly support collaboration with allied agencies and our regionalized-approach to fire service delivery offers opportunity to enhance service levels in a cost effective manner.

### **GOALS AND OBJECTIVES**

Turlock Fire's stated goal is to "protect your quality of life with pride and compassion." To accomplish this objective the department strives to maintain excellent incident response times and to quickly, safely, and efficiently mitigate emergencies. We expect our firefighters to always be professional, capable, and compassionate when dealing with citizens on what may very well be their worst day. The department accomplishes its mission while being fiscally responsible to the city and the taxpayers. Our goals and objectives are stated below.

- In cooperation with our regional fire service partners, we are continuously exploring ways to collaborate, become more efficient, and deliver excellent customer service. Through our administrative contract with Modesto Fire Department we are pursuing cost-effective ways to make best use of our resources and improve existing Department programs.
- We are committed to delivering high-quality fire protection services while remaining fiscally responsible. We will pursue grants and other alternative funding sources to make best use of the City's financial resources.
- Utilizing best practices as recommended from the Citygate Associates Operational Assessment for Turlock Fire Department, we will explore opportunities to deliver improved services.

### Turlock Fire Department

- Identify funding source for critical maintenance and repair of existing fire facilities. Needed repairs include roof replacement (two stations), window replacement, replacement of overhead doors, floor dry rot repair, and sewer pipe repair/replacement.
- Provide for organizational stability and operational effectiveness by filling of all vacant positions. We continue to explore new ways to make most effective use of our personnel to deliver essential services.
- Provide adequate funding for replacement apparatus and other essential equipment needs.

### PUBLIC WORKS DEPARTMENT

#### **PURPOSE**

The Public Works Department oversees the city's critical infrastructure and provides a wide variety of engineering services, maintenance operations, recreation and transit services for the citizens of Turlock. The department's main objectives are to provide effective leadership and promote positive economic impact.

#### **PROGRAMS**

<u>Engineering (Capital Improvements)</u> - Responsible for the design, oversight and construction of a wide range of capital improvement projects to support the City's infrastructure including: public parks, buildings, roadways or aspects of the water, sewer or storm drain facilities. In addition, this program area also ensures that the environmental, financial and timing programs are met for the various managed state and federal aid infrastructure grants.

<u>Engineering</u> (<u>Land Development</u>) - Responsible for the review of projects submitted by private development for public infrastructure and improvements. This program is an integral part of the interdepartmental development team who also oversees the encroachment and grading permit process as well as public works inspection services. This program is also responsible for the survey and mapping functions as well as the various impact fee programs to mitigate the costs and impacts associated with new development.

<u>Engineering (Traffic and Transportation)</u> - Responsible for the planning and implementation of the orderly and safe multimodal traffic movement throughout the City. Traffic engineering provides oversight in the enhancement of roadways and intersections to improve safety and efficiency, conducts studies, implements traffic signal timing and seeks grant funding for traffic safety improvements. Currently, there are no assigned staff to this program area.

<u>Transit</u> - Responsible for providing safe and reliable local public transit service under the brand "Turlock Transit," to include fixed route and ADA paratransit (Dial-a-Ride) services, as well as the operation of the Roger K. Fall Transit Center. Planned enhancements include a new fixed route serving the industrial and commercial areas in west Turlock and a community shuttle pilot project. Turlock Transit focuses on local transit needs while coordinating with regional agencies to promote and improve regional mobility.

<u>Maintenance</u> – Responsible for providing safe and well-maintained parks, public facilities, streets, sports complexes and assessment areas. Programs under this division include the annual Arbor Day celebration, Adopt-A-Park and Go Green Week Tree Planting.

<u>Recreation</u> - Invests in the quality of life by building social infrastructure and enhancing economic development. Families and individuals of all ages have the opportunity to enhance their lives by participating in programs such as: sports activities, community events, arts, social/educational activities, and a wide range of enrichment classes. The Recreation Division also coordinates and implements programs for the Police Activities League (PAL), as well as acts as the liaison to the Turlock City Parks, Arts and Recreation Commission and Turlock Downtown Property Owners Association.

### **Division 500 Public Facilities**

### **PURPOSE**

The Public Works Facilities Maintenance Division oversees the maintenance of all the government-owned public buildings and adjacent landscape areas. This area also provides support during facility rentals and special events.

### **GOALS AND OBJECTIVES**

- Provide safe and well-maintained facilities for the community, recreation programs and City of Turlock employees.
- Provide support to facility users during City and private events.
- Conduct routine safety inspections of the facilities, making any necessary repairs.
- Effectively manage watering restrictions at our facilities and monitor impacts to prevent the loss of trees.

### Division 600 Park Maintenance

#### **PURPOSE**

The Public Works Parks Division oversees the operation, maintenance, safety, and design of all parks, playgrounds, water features, skate park, and other associated amenities. This area also provides support to our picnic area rentals during park season.

#### **GOALS AND OBJECTIVES**

- Provide safe, well designed and attractively maintained park facilities for the citizens of Turlock to enjoy recreation activities and socialize.
- Effectively manage watering restrictions at our parks and monitor impacts to prevent the loss of trees.
- Conduct routine safety inspections of all playground and areas and take the necessary steps to mitigate any identified hazards.
- Promote the value and importance of our urban forest through the Annual Arbor Day and Go Green Week Tree Planting events.
- Involve individuals, local businesses, civic organizations and community organizations in the beautification and maintenance of Turlock's parks through volunteerism, donations and sponsorships through the Adopt-A-Park Program.

# Fund 110 Recreation Admin, Programs, Sports, Aquatics, Youth

#### **PURPOSE**

The Public Works Recreation Division invests in the quality of life by building social infrastructure and enhancing economic development. Families and individuals of all ages have the opportunity to enhance their lives by participating in programs such as: sports activities, community events, arts, social/educational activities, and a wide range of enrichment classes. The Recreation Division also coordinates and implements programs for the Police Activities League (PAL), as well as acts as the liaison to the Turlock City Parks, Arts and Recreation Commission, Turlock Downtown Property Owners Association and the Turlock Municipal Airport.

#### **GOALS AND OBJECTIVES**

- Provide excellent recreation, social, educational, and arts programs which promote youth enrichment, supports family relationships, and provides a safe deterrent to negative behaviors and crime.
- Develop ongoing community partnerships, collaborations, and sponsorships which will result in enhanced programming and services to the community as well as leveraging City resources. Collaborate with local businesses to implement community events such as our annual Turlock Downtown Christmas Parade and the Turkey Trot Fun Run.
- Support efforts which promote tourism and enhance the local business community.
- Provide Youth and Senior Recreation scholarships to assist underserved populations who do not have the ability to pay for fee based programs and activities.
- Provide staff support to community groups such as the Teen Advisory Council, the Parks, Arts and Recreation Commission, and the Turlock Municipal Airport.
- Promote the usage of the Pedretti Sports Complex and Gemperle Fields at Turlock-Stanislaus Regional Sports Complex, resulting in economic benefits through increases in transient occupancy and sales tax.

# Fund 215 Federal Street Funding Program

### **PURPOSE**

For more than fifty years, the Federal Highway Administration has provided funds to build and maintain certain "Collector" and "Arterial" Streets within local jurisdictions. An early rationale was that roads were an important means of bringing the nation together, linking interior agricultural markets with manufacturing and trade. In 1956 the Federal Highway Trust Fund was created which increased the federal tax on motor fuels and ordered the government to deposit revenues from the motor fuel and other federal taxes on highway users into the trust fund.

These federal funds are apportioned to the states and down through to the counties and cities. In Stanislaus County, the Stanislaus Council of Governments "StanCOG" apportions the federal funds through a number of grant programs. California, and thereby the City of Turlock, is subject to federal laws and regulations regarding their distribution. Provisions of the federal-aid program are codified in Title 23 of the U.S. Code. It contains about 60 sections that establish the program, spell out the policy objectives, and specify the rules for distributing federal aid. The program guidelines outline to local jurisdictions the kinds of highway projects which are eligible for specific categories of federal aid, as well as dictate requirements for local jurisdictions to provide the local government match. In addition, these requirements are intended to advance social objectives unrelated to transportation such as environmental and employment goals. Of course, jurisdictions do not have to accept federal money for highways and the restrictions that come with it.

Since the federal programs provide such a significant source of transportation funds, it would be difficult for Turlock or any local jurisdiction to choose not to participate.

In general, the federal-aid highway program requires the City of Turlock to match federal funding. The federal share for most types of projects is 88.53% but can be significantly larger based on the various requirements of individual projects. The majority of the matching funds are provided by State 2103 Funds and City Capital Facility Fees, but can be provided by other sources depending on the nature of the project.

#### **PROGRAMS**

# Regional Surface Transportation Program (RSTP)

Funds are directed to projects and programs for a broad variety of streets and road work. Typical projects that qualify to be funded under this federal program are roadway surfacing and reconstruction. The following is a list of typical projects being constructed with this funding:

# Fund 215 Federal Street Funding Program

- Rehabilitation of Hawkeye Avenue from Olive Avenue to Eastern City Limits
- Rehabilitation of Golden State Boulevard from E. Main Street to Del's Lane

# Congestion Mitigation and Air Quality Program (CMAQ)

Funds are directed to transportation projects and programs which contribute to the attainment or maintenance of National Ambient Air Quality Standards in non-attainment or air quality maintenance areas for ozone, carbon monoxide, or particulate matter under provisions in the Federal Clean Air Act. The following is a list of typical projects being constructed with this funding:

- Traffic signal at the intersection of Toulumne Road and Tully Road
- Traffic signal at the intersection of Monte Vista Avenue and Fosberg Road
- Traffic signal at the intersection of Lander Avenue and F Street

# Active Transportation Plan (ATP)

Funds are directed to transportation projects and programs which contribute to non-vehicle modes of transportation infrastructure such as safe routes to schools, pedestrian facilities, bicycle facilities. The following is a list of typical projects being constructed with this funding:

• Linwood Avenue pedestrian improvements

## Highway Safety Improvement Program (HSIP)

Funds are directed to transportation projects and programs which contribute to the safety of the traveled public right of way. The following is a list of typical projects being constructed with this funding:

• Pedestrian Improvements at various locations in South Turlock

# Fund 216 Local Transportation Fund (LTF) for Streets and Roads

### **PURPOSE**

The Transportation Development Act (TDA) is a local jurisdiction's ticket to funding for public transportation. It is also a highly confusing piece of legislation. The TDA provides a State funding source for use by local jurisdictions at the county level to improve existing public transportation and encourage regional public transportation coordination. It also provides some funding for bicycle and pedestrian projects. Historically, traffic engineering functions were paid for out of TDA funds; however, TDA funds can no longer be used for local streets and roads functions. This budget includes transfers in from SB-1 (Fund 219) to continue those functions.

#### **PROGRAMS**

Street and road projects eligible for Local Transportation Funds include those that are necessary or convenient to the development, construction, and maintenance of the City's street network, including planning, acquisition of real property, and construction.

- Local program projects to protect and enhance the service level of the transportation system.
- Fund projects to preserve, maintain and enhance the existing transportation system and increase efficiency of the existing system by emphasizing transportation system management techniques.
- Fund projects to design and maintain transportation facilities to be compatible with adjacent land uses.
- Provide funding to plan, develop, and implement a transportation system that enhances the livability of our residential neighborhoods.
- Provide funding to plan, develop and implement a transportation system that protects and enhances air and water quality, protects and enhances scenic routes and vistas, and minimizes noise impacts on residential areas.
- Provide funding to cover power and maintenance costs associated with the City's traffic signal system. In addition, this fund covers power costs associated with non-assessment district street lights.
- Match funding for a number of various federally funded street projects.

# Fund 217 Street Maintenance (Gas Tax)

### **PURPOSE**

The Public Works Streets Maintenance Division oversees the operation, maintenance, and safety of streets, street signage, public parking lots, sidewalks, and medians throughout the City to ensure the safe passage of pedestrians and vehicular traffic.

- Respond and assist in the emergency needs of Police and Fire Services by providing necessary traffic control, and road hazard removal support.
- Respond and assist in the emergency needs of public works by providing support during street flooding, out of repair street signals, and other municipal related needs.
- Respond to damaged street signage within 24 hours of notification and repair/replace with new signage.
- Protect the storm system by providing leaf pick up services.
- Inspect all commercial right-of-way landscaping and developer street tree plantings.
- Administer the Sidewalk and Tree Maintenance Programs.
- Effectively manage watering restrictions within our street medians and monitor impacts to prevent the loss of trees.
- Proactively address pot holes on both residential and major thoroughway roadways.

# Fund 218 Measure L

## **PURPOSE**

Measure L is a half cent sales tax that was approved by Stanislaus County citizens in November 2016. The purpose of the tax is to provide funding for road maintenance, traffic safety enhancements, pedestrian, and bicycle improvements, transit, and regional projects. The sales tax increase has a 25 year life and has a sunset date in 2042.

## **PROGRAMS**

Sixty five percent (65%) of the tax revenue will be provided to Turlock for:

- Road Maintenance (50%)
- Traffic Safety Enhancements (10%)
- Bicycle and Pedestrian Improvements (5%)

# Fund 219 Road Maintenance & Rehabilitation Account

#### **PURPOSE**

SB1 is funding from the State in the form of gas tax and vehicle licensing fees that are allocated to repair and maintain the transportation system. The City is expected to receive approximately \$1.28 million of SB1 funds this fiscal year.

### **PROGRAMS**

The funds are anticipated to be used for the following:

- Pothole repair on City streets
- Traffic signal and street light maintenance
- Safety upgrades
- Thermoplastic striping machine

# Fund 113 Parks, Arts and Recreation Commission

### **PURPOSE**

The Parks, Arts and Recreation Commission shall encourage, stimulate, promote, and foster programs and facilities for the enrichment of the City and thereby contribute to the quality of life in Turlock and develop an awarement in the business community, in local government, and in the general public of Turlock and surrounding communities of the value and benefits of the Arts and constructive use of leisure time in Turlock. The Parks, Arts and Recreation Commission may perform other related functions as directed by the City Council.

- Become informed and knowledgeable about city parks, art opportunities, recreation programs, facilities, and the recreational needs of the community.
- Protect and enhance the cultural richness and diversity of the Turlock community by promoting the visual and literary arts in the City Hall Gallery.
- Foster cooperation between the City and other government agencies and civic groups interested in the development of community parks, art and recreation programs.

# Fund 205 Sports Facilities

#### **PURPOSE**

The Public Works Division oversees the operation and maintenance of two first class sports complexes for recreational use and competitive sports - Gemperle Fields at Turlock-Stanislaus Regional Sports Complex and the Pedretti Sports Complex. These facilities represent a significant source of positive economic impact due to thousands of individuals visiting the community to attend events at these facilities every year.

- Provide a well-maintained, safe environment for recreational sports programming and facilities.
- Provide first class sports facilities for a diversified level of sports programming for the citizens of Turlock and throughout the state.
- Continue the ongoing upgrade of the Pedretti Sports Complex.
- Complete various special projects at the sports complexes with funding from donations by local service clubs or other private donors.
- Expand activities to include non-sports related special events to support tourism and generate additional revenue to offset costs associated with the facilities.
- Continue and expand the Advertising Initiaive to generate revenue and promote businesses at the Sports Facilities.

# Fund 228 Park Development

## **PURPOSE**

Park Development Fees are used to acquire land for park space and to construct parks consistent with the General Plan and the Master Park Plan.

## **PROGRAMS**

- Acquire park property in newly developing areas.
- Develop new parks as residential development occurs.
- Upgrade parks in older areas that are impacted by infill development.

These programs are funded by development impacts fees that requires new residential development to fully mitigate its impacts on the City's park system.

- To increase the total acreage of park land within the City as growth and development occurs, consistent with the General Plan and Parks Master Plan.
- To upgrade the amenities, facilities and equipment in existing City parks.
- To provide the citizens of Turlock with green parkland space with playground areas, picnic areas, trees, basketball courts, and other amenities that are well maintained, compliant with ADA requirements, and provide a place for both youth and adults to recreate.
- To enhance the quality of life in Turlock and ensure that new growth and development fully mitigates its impacts on park facilities and does not result in the overuse and deterioration of existing park facilities.

# Fund 246 Landscape Assessment District Maintenance

## **PURPOSE**

The Public Works Maintenance Division maintains public landscaping that provides a special benefit to certain parcels within the City. Maintenance is provided within the budgetary parameters provided. Maintenance is funded by a supplemental assessment on a property owner's property tax bill. Also included in this budget are district lighting, storm basin improvements and slurry sealing of roadways. The establishment and operation of assessment districts are governed by state law.

- Provide service levels based on the assessment received for each district.
- Provide safe and attractively maintained landscaped areas.
- Effectively manage watering restrictions within the assessment districts and monitor impacts to prevent the loss of trees.
- Routinely slurry seal districts to prolong the lifespan of those roadways.
- Maintain street lights in those districts that contain those improvements.

# Fund 247 Downtown Assessment

## **PURPOSE**

This fund accounted for the activity of the original Property and Business Improvement District (PBID) which was active for five years beginning with the first assessment collections in Fiscal Year 1998-99. This District was the successor to a Downtown Parking District and has now been superseded by Fund 706 - PBID #3.

Fund 247 is being kept open for two reasons: (1) the County continues to remit assessment revenues collected from property owners who paid their annual assessment late, and (2) to track the unexpended funds which are to be used to resurface, reseal and/or restripe the five downtown parking lots which were part of the original parking district.

# Fund 269 Parks & Public Facilities Grants

## **PURPOSE**

The Public Works Department regularly applies for State and Federal grant funding to make improvements to parks and public buildings. This is fiscally responsible and helps support municipal infrastructure.

- Apply for Federal, State, and local grant funds for the older parks that do not receive Park Development Fees.
- Partner with other City departments to access grant programs such as CDBG and HUD.
- Focus on identifying grant opportunities that provide funding for water conservation projects.

# Fund 270 Recreation Division Grants and Donations

## **PURPOSE**

The Public Works Department routinely researches and submits grants and funding requests to Foundations, Non-Profit Agencies, State, and Federal entities for the purpose of providing safe and high quality recreation, prevention, and intervention activities.

- Research funding opportunities through California PAL and National PAL. Continue to coordinate, lead and develop activities for Turlock PAL.
- Provide positive social and recreational activities for teens in the community.
- Partner with Stanislaus County Office of Education and Turlock Unified School District to provide the After School Education and Safety Grant (ASES).
- Research and apply for grants which meet the mission of the Division and target underserved populations.
- Continue to partner with community agencies, organizations, and individuals to seek funding and leverage resources for the development of positive recreation and family activities.

## Fund 301 Capital Improvement

## **PURPOSE**

To provide funding for capital repairs and replacements at City owned buildings, parks, and related amenities for which no other funding source is available. This is a discretionary fund, funded by transfers from the General Fund.

Pursuant to City Council Resolution 2014-075 a portion of this fund is dedicated to comply with the Federal Americans with Disabilities Act (ADA) and applicable state laws.

## **PROGRAMS**

- ADA improvements to City owned buildings, parks, and related amenities.
- Sidewalk Repair Program for City owned buildings and parks.
- Major repairs and improvements to City owned buildings, parks, and related

- Facilitate the City's ADA Transition Plan to comply with the Title II requirements of the Americans with Disabilities Act (ADA) of 1990 for accessibility to City programs, services, and activities.
- Extend the useful life of City owned buildings, parks, and related amenities.
- Regularly evaluate sidewalks in and around our facilities to address any out of repair sections.

# Fund 401 Airport

#### **PURPOSE**

The City of Turlock as owner and sponsor of the Turlock Municipal Airport receives grant funds from the State of California Caltrans Division of Avionics as well as the Federal Aviation Administration as an airport improvement entitlement jurisdiction. In addition, the City competes for grant funds related to capital improvement projects at the Airport. The airport is located eight miles out East Avenue and is a General Aviation classified airport. There are currently fifty-five fixed wing aircrafts based at the airport. The day-to-day operations of the airport are provided under contract with the Turlock Regional Aviation Association (TRAA).

The TRAA is a non-profit organization of local aviation enthusiasts and airport supporters. The City assists the TRAA by facilitating the expenditures and reporting of grant funds and in assuring that all federal grant assurances are met. In addition, other City program areas, such as Engineering, provide capital project assistance as new improvement projects are constructed. TRAA is actively working to implement revenue generating strategies at the airport to offset maintenance expenses and provide grant match funds for future projects. Examples of these strategies are leased storage space and an agricultural lease of non-aviation areas at the airport.

### Fund 426 Transit

#### **PURPOSE**

Transit links the community to work, shopping, and play. Turlock Transit provides readily accessible transit service by building public support and increasing awareness of how public bus transportation improves our quality of life. Turlock Transit offers transportation to key destinations such as California State University Stanislaus, Emanuel Hospital, schools, businesses, and shopping centers as we strive to provide congestion relief, cleaner air, and economic development, all in comfort and safety.

#### **PROGRAMS**

The City provides three modes of service: (1) a fixed route system that operates within the city limits, as well as (2) an ADA paratransit (Dial-a-Ride) service and (3) on-demand service that both operate within Turlock and Denair. The City also provides support for two multi-modal transit stations.

The Fixed Route mode operates Monday-Friday from 6:00 a.m. to 9:00 p.m., and Saturday from 9:00 a.m. to 7:00 p.m. There are six fixed routes offering bus service to most of the City with a seventh route planned to debut in FY 2022-23. All fixed route vehicles are equipped with accessible lifts or ramps to assist physically challenged persons and those unable to negotiate the steps to enter the bus.

The ADA Paratransit (Dial-a-Ride) system operates Monday-Friday from 6:00 a.m. to 9:00 p.m., and Saturday from 9:00 a.m. to 7:00 p.m. This system operates within the City of Turlock. Reservations are required for all trips; same day reservations are permitted based on availability. Eligible riders are those with ADA eligibility that live within three quarters of a mile of a fixed route.

The On-Demand mode will debut in FY 2022-23 and will operate Monday-Friday from 6:00 a.m. to 9:00 p.m. and Saturday from 9:00 a.m. to 7:00 p.m. Passengers in Denair and Turlock can book on-demand, shared trips to any location within Denair and Turlock.

The City provides support for ongoing maintenance, security, and operations at the Roger K. Fall Transit Center, the hub of transit operations and central transfer point in Turlock. City transit staff and contracted operations and management staff have offices in this Center. The City also provides basic utility and maintenance support services for the Turlock-Denair Amtrak Station.

#### **GOALS AND OBJECTIVES**

- Provide a transit service that is financially and operationally sustainable.
- Raise the bar of excellence in providing service to all users.
- Use innovative approaches to attracting riders and enhancing service.

# Fund 426 Transit

# **GOALS AND OBJECTIVES (cont.)**

- Promote the most independent, appropriate, and cost effective service options for people with disabilities.
- Promote multi-modal mobility and reduce barriers to regional travel.

# Fund 502 Engineering

#### **PURPOSE**

The purpose of the Engineering Division is to provide professional engineering design, surveying, and project management for capital improvement projects; ensure compliance to all City standards for all public improvements; ensure compliance to all improvement plan requirements for all on-site improvements; ensure compliance of all lot line adjustments, lot mergers, parcel maps, and subdivision maps with the Subdivision Map Act requirements; impose conditions to mitigate development impacts on the public infrastructure; and develop and update various development impact fees to insure new development mitigates its impact on the City's infrastructure.

#### **PROGRAMS**

The roads program provides project management of roads projects primarily funded by Measure A with the goal of improving the condition of the City's existing roadways not maintained in assessment districts. Staff oversees the development and implementation of the roads program CIP, manages outside consultants and reviews bid proposals related to roads program projects.

The capital improvement program provides for the installation of public infrastructure for various City of Turlock Departments. With funding provided by these departments, the Engineering Program provides topographic survey collection, improvement plan preparation/design, right of way and easements acquisition, project management, construction staking, and construction inspection. In addition, staff prepares all Caltrans and StanCog documents necessary for the appropriation, design, and construction funding obligation and final reports for all Federal and State grant funding. Through this process, staff is able to secure Congestion Mitigation and Air Quality (CMAQ), Surface Transportation Program (STP), Active Transportation Program (ATP), and Highway Safety Improvement Program (HSIP) grant funding for use within the City.

The inspection program provides assurances that all public improvements installed by the City or by development meet or exceed the standards set forth in the City of Turlock Standard Specifications and Drawings. In addition, through the grading permit process, the inspection staff reviews on-site improvements for conformance with the approved improvement plans. Lastly, staff coordinates with other divisions as to specialized testing needs. Specifically, staff coordinates the TV inspection on sewer and storm lines as well as the bacteriological testing of water lines.

# Fund 502 Engineering

#### PROGRAMS (cont.)

The development program provides for the review of all proposed development activity within the City. With funding provided by developers through fees, the Engineering Program reviews proposed development, imposes conditions, processes lot line adjustments, lot mergers, parcel maps, and subdivision maps. In addition, staff reviews/approves improvement plans and issues grading and encroachment permits. Staff also forms the City's Maintenance District for each development and reviews each building permit application and prepares/calculates impact fees based on use and zoning. The Engineering Program is also charged with the responsibility to create, implement, and update various fee programs. Specifically, the Engineering Program provides program management and oversight for the Capital Facilities Fee, Northwest Triangle Specific Plan, North Turlock Master Plan, Northeast Turlock Master Plan, East Tuolumne Master Plan, Turlock Regional Industrial Specific Plan, and Master Storm Drainage programs.

#### GOALS AND OBJECTIVES

- Continue to provide professional engineering design, project management and inspection for capital improvement projects.
- Continue to review and impose conditions on new development to ensure that the proposed development mitigates its current and future impacts.
- Ensure all new construction meets or exceeds the City of Turlock Standard Specifications and Drawings.
- Monitor and impose all development impact fees on new construction.
- Administer the Roads Program and oversee the development and implementation of the roads CIP.

# Fund 602 Downtown Improvement Project

#### **PURPOSE**

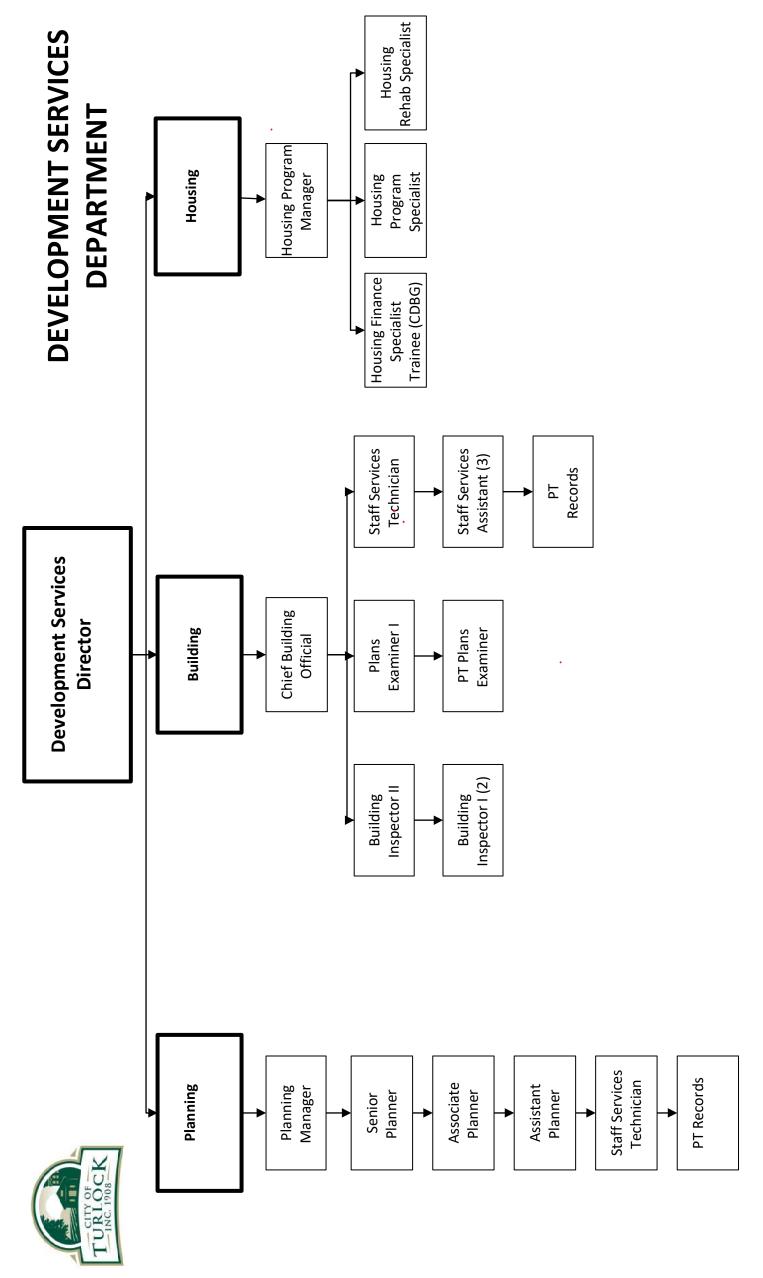

The Downtown Revitalization Construction project began in June 1999 and resulted in infrastructure upgrades and improvements, as well as changing the downtown facade. The project included reconstruction of the curbs, gutters, sidewalks, and streets and the addition of decorative lighting, street trees, pots, medians, and landscape block outs in the sidewalks on West and East Main Street from Lander Avenue to Palm Street. Public art projects were part of the original revitalization vision and were originally funded here.

FY 2022-2023 ADOPTED BUDGET

June 28, 2022

# **Development Services**

The Development Services Division's (DSD) Budget for Fiscal Year 22-23 was developed to provide the Department's core functions in the most cost effective manner as possible. DSD has sought out revenue opportunities through Federal and State grant opportunities to fund much needed community serving infrastructure projects. DSD's Planning Division is spearheading the update to the City Housing Element as well as the Downtown Design Guidelines. The Department is comprised of Building and Safety, and Planning.

Development Services is unique in the City's organizational structure in that it is funded through numerous budget funds. Additionally, Development Services utilizes line item funding from other Departments to execute specific projects and programs on behalf of the City. Specifically, Development Services manages the implementation of Measure L, state and federal infrastructure grants, Capital Facilities Fee program, Master and Specific Plan fee programs, implements the General Plan, and foms new public facility assessment districts.

#### **MISSION**

#### To plan, design, and build an attractive and sustainable community.

In support of the Development Services Department mission, the purpose of each of the program area is as follows:

- **Building and Safety** Responsible for working with construction industry professionals and the community to ensure the compliance with state mandated model building codes through the building permit and inspection processes.
- **Planning** Responsible for preparing, maintaining and implementing the City's General Plan as well as the adopted Specific and Master plans. It is also responsible for the local implementation of CEQA (The California Environmental Quality Act) as well as administers the City's Zoning and Subdivision ordinances. The Planning staff provides support to the Planning Commission and to the City Council on land use matters.
- **Housing** Responsible for creating, maintaining, and sustaining affordable housing opportunities in the community funded by the United States Department of Housing and Urban Development (HUD) entitlement grants.

The Development Services Department is accounted for through a number of funds which

- 110 for the Planning functions
- 225, 226, 229, 245, 302, 411, 412, 414 and 421 in collaboration with other Departments for park development, city infrastructure construction and street lighting maintenance.
- 405 for the Building and Safety functions.

# **Development Services**

- 230, 305, 306, 307, 308, and 309 for Development Impact Fee/Specific Plan management functions.
- 271 for State and Federal grants.
- 254, 255, 256, 257, 258, 259, and 625 for Housing Program Services.

# **Planning Division**

#### **PURPOSE**

The Planning Division has three principal responsibilities:

- Prepare, maintain and implement the City's General Plan, Specific Plans, Master Plans, and other types of plans
- Conduct environmental reviews of public and private projects under the California Environmental Quality Act (CEQA) and National Environmental Policy Act (NEPA)
- Administer the City's Zoning and Subdivision Ordinances including the review of land use, development, and subdivision projects for compliance with applicable policies, regulations, and standards

The Planning Division provides professional planning services and support to the City Council and Planning Commission and information on zoning and development matters to the public. The Division also provides technical support on a variety of planning and environmental studies for other departments within the City.

#### **PROGRAMS**

Most of the time and resources of the Planning Division are committed to reviewing and processing applications for various approvals and permits required by the Municipal Code or State law. To facilitate this process, the Planning Division manages a no-cost predevelopment process to give applicants early feedback on their projects and help them understand the process, time schedules, and costs. The Planning Division also prepares Specific Plans or Master Plans to plan areas proposed for annexation consistent with the City's Area-wide Planning Policy and works on General Plan and Code amendments and special studies to meet State requirements or at the direction of the City Council.

The Division handles most of the environmental review needs of the City and manages the annexation of new residential projects to Community Facilities District No. 2 (an additional tax to pay for services). Providing information to the public and other City staff is a significant part of the Planning Division's ongoing information program. Maintaining records, maps, and updating information is also a part of the Division's service to the public.

Planning permit fees are expected to pay approximately 18% of the cost of the Planning Division. The Division has also been awarded a grant for certain General Plan implementation actions such as the development a Neo-traditional neighborhood overlay zone, Graduated Density standards, and an update to the second dwelling unit Ordinance and will be applying for a grant to help fund the upcoming Housing Element update. The balance is paid for by the City's General Fund.

# **Planning Division**

#### **GOALS AND OBJECTIVES**

- Adopt updates to the Zoning Ordinance
- Provide outstanding customer service
- Adoption of a Traditional Neighborhood and/or Graduated Density overlay district for neighborhoods developed before 1930

# Fund 225 Transportation Tax

#### **PURPOSE**

The purpose of this fund is to provide a revenue stream for the construction of public street improvements in an effort to mitigate development impacts.

#### **PROGRAMS**

This program collects fees from developers on building permit based on the zoning and size of the proposed development or other criteria as provided for in the Municipal Code.

#### **GOALS AND OBJECTIVES**

• Provide funding for the installation of City signs and striping by City personnel.

#### City of Turlock Proposed 22-23 Budget **Fund 225 Transportation Tax** FY 21-22 FY 21-22 FY 22-23 FY 20-21 Amended Actual YTD at Adopted **G/L Account Number Account Description** Budget **Actual** 4/30/21 Budget Fund: 225 - Transportation Tax **Department:** 40 - Development Services **Division: 425- Transportation Tax REVENUES** CH - Charges for Services 225-40-425.35158 Transportation Tax 9,153 3,000 2,772 3,000 Account Classification Total: CH - Charges for Services 9,153 3,000 2,772 3,000 **Division Total: 425 - Transportation Tax** 9,153 3,000 2,772 3,000 **Department Total: 40 - Development Services** 3,000 2,772 3,000 9,153 2,772 **REVENUES Total** 9,153 3,000 3,000 **EXPENSES** SU - Supplies and Maintenance 225-40-425.44001\_136 2,081 2,362 5,000 Supplies Signs 5,000 225-40-425.44001\_202 Supplies Street Trees 0 0 0 1,000 225-40-425.44001\_203 Supplies Traffic Island Landscape 0 414 0 1,000 5,000 2,362 Account Classification Total: SU - Supplies and Maintenance 2,495 7,000 MI - Miscellaneous Expenses 225-40-425.47010 Bank Charges 5 0 0 100 5 Account Classification Total: MI - Miscellaneous Expenses 0 0 100 **Division Total: 425 - Transportation Tax** 7,100 2,501 5,000 2,362 **Department Total: 40 - Development Services** 2,501 5,000 2,362 7,100 **EXPENSES Total** 2,501 5,000 2,362 7,100 **REVENUES** 9,153 3,000 2,772 3,000 **EXPENSES** 2,501 5,000 7,100 2,362 Fund Total: 225 - Transportation Tax 6,652 (2,000) 410 (4,100) Fund Total: 225 - Transportation Tax **REVENUES** 9,153 3,000 2,772 3,000 **EXPENSES** 2,501 5,000 2,362 7,100 Fund Total: 225 - Transportation Tax 6,652 (2,000)410 (4,100)

### Fund 226 Traffic Tax

### **PURPOSE**

The purpose of this fund is to provide a revenue stream for the construction of public street improvements in an effort to mitigate development impacts.

### **PROGRAMS**

This program collects fees from developers at the time of parcel and subdivision map application for the purpose of constructing and installing City street name signs.

### **GOALS AND OBJECTIVES**

• Provide funding for the installation of City street name signs by City personnel.

### Fund 229 Air Quality Improvement Fee

### **PURPOSE**

The purpose of this fund is to provide a revenue stream from the Northwest Triangle Specific Plan development community for the construction of public infrastructure intended to mitigate air quality impacts.

### **PROGRAMS**

This program collects fees from developers at the time of parcel and subdivision map application and building permit issuance based on the proposed development in accordance with the Municipal Code. Funding is used for the construction of improvements that target pedestrian and bicycle uses within and to the Monte Vista Crossings Shopping Center.

### **GOALS AND OBJECTIVES**

• Provide funding for the installation of pedestrian and bicycle improvements.

### Fund 230 Northwest Triangle Specific Plan Area Fees

### **PURPOSE**

The purpose of this fund is to provide a revenue stream from the development community within the Northwest Triangle Specific Plan area for the construction of public infrastructure intended to mitigate Sewer and Water impacts.

### **PROGRAMS**

This program collects fees from developers at the time of building permit issuance and is intended to mitigate the impacts associated with growth within the Northwest Triangle Specific Plan (NWTSP) area. Specifically, this fee has two main components. The sewer component provides for necessary improvements for the full build out of the NWTSP. The water component provides for necessary improvements for the full build out of the NWTSP. All the public facilities were master planned and a fee was assessed to the NWTSP area based on business use and zoning.

## Fund 245 Development Benefit Assessment

### **PURPOSE**

The purpose of this fund is to provide a revenue stream from the development community for improvements that are necessary for the build-out of an area of town when the improvements are not part of a city wide, specific plan or master plan fee program.

#### **PROGRAMS**

This program collects fees from developers at the time of building permit issuance or map application to cover costs associated with needed improvements within a small radius of the proposed area. Staff determines the need for the improvement and sets up a district to pay for the improvement on a gross acre basis. Examples of this program are the installation of a traffic signal, sewer lift station or storm pond, each of which are not part of an existing fee program.

- Reimburse developers for installed improvements as funds come available.
- Review development and create new districts if needed.

### Fund 271 Development Services Grants

### **PURPOSE**

As grant opportunities become available the Planning Division submits applications, for the purpose of updating Planning Documents, improving processes or creating new or updated master plans.

### **PROGRAMS**

The SB2 and the LEAP Planning Grants are State funded grants intended to be used to update and improve Planning processes, documents and standards to encourage and facilitate residential development.

- Expedite permit processing
- Adopt updates to the Municipal Code
- Update the Housing Element
- Update the Safety Element
- Adopt an Environmental Justice Element

### Fund 302 Street Lighting

### **PURPOSE**

The purpose of this fund is to provide a revenue stream for the reimbursement to developers for the installation of public street lights and the construction of a small number of public street lights on an annual basis.

### **PROGRAMS**

This program collects fees from developers who build adjacent to roadways that have a fully functional street light system. These fees are collected on a linear foot basis and are used to reimburse the City of Turlock or developers who originally installed the street light facilities.

- Provide reimbursement to developers for the installation of street light systems.
- Provide reimbursement to the City of Turlock for the installation of street light systems.
- Provide for the installation of a few new street lights in needed areas of the City, where needed and if funds are available.

### Fund 305 Capital Facilities Fees

### **PURPOSE**

The purpose of this fund is to provide a revenue stream from the development community for the construction of public infrastructure intended to mitigate Transportation, Police, Fire and General Government impacts caused by growth.

### **PROGRAMS**

This program collects fees from developers at the time of building permit issuance and is intended to mitigate the impacts associated with growth caused by development. Specifically, this fee has four main components. The Transportation component provides for roadway, intersection, and bicycle improvements that mitigate the increased demand brought on our street network by development. The Police component provides for additional police facilities to accommodate additional officers, staff, and associated materials. The Fire component provides for additional fire facilities to accommodate additional firefighters, staff, and associated materials. The General Government component provides for additional general government facilities to accommodate additional staff and associated materials.

### **GOALS AND OBJECTIVES**

• Complete the construction of the Fulkerth Interchange Project

### Fund 306 North Turlock Master Plan Fees

### **PURPOSE**

The purpose of this fund is to provide a revenue stream from the development community within the North Turlock Master Plan area (approximately 370 acres) for the construction of public infrastructure with the intention of sharing costs of backbone infrastructure associated with transportation, sewer, and storm drains.

#### **PROGRAMS**

This program collects fees from developers at the time of building permit issuance and is intended to share the cost of backbone infrastructure within the North Turlock Master Plan (NTMP) area. Specifically, this fee has three main components. The Transportation component provides for roadway improvements within the plan area. The Sewer component provides for necessary improvements for the full build out of the NTMP. The Storm Drain component provides for necessary improvements for the full build out of the NTMP. All the public facilities were master planned and a fee was attributed to the NTMP area based on location, business use, and zoning.

### Fund 307 Northeast Master Plan Area Fees

### **PURPOSE**

The purpose of this fund is to provide a revenue stream from the development community within the Northeast Turlock Master Plan area (approximately 255 acres) for the construction of public infrastructure with the intention of sharing costs of backbone infrastructure associated with transportation, sewer, water, and storm drains.

#### **PROGRAMS**

This program collects fees from developers at the time of building permit issuance and is intended to share the cost of backbone infrastructure within the Northeast Turlock Master Plan (NETMP) area. Specifically, this fee has four main components. The Transportation component provides for roadway improvements within the plan area. The Sewer component provides for necessary improvements for the full build out of the NETMP. The Storm Drain component provides for necessary improvements for the full build out of the NETMP. The Storm Drain component provides for necessary improvements for the full build out of the NETMP. All the public facilities were master planned and a fee was attributed to the NETMP area based on location, business use, and zoning.

### **GOALS AND OBJECTIVES**

- Monitor the construction of master plan improvements currently conditioned to be completed by subdivisions in construction.
- Continue to make reimbursements to developers for master planned improvements conditioned to be completed by subdivisions in construction.
- Make other improvements as funding comes available.

Note: Timing on further infrastructure and reimbursement to developers are dependent on actual development.

### Fund 308 Turlock Regional Industrial

#### **PURPOSE**

The purpose of this fund is to provide a revenue stream from the development community within the Turlock Regional Industrial Park area (approximately 2,600 acres) for the construction of public infrastructure with the intention of sharing costs of backbone infrastructure associated with sewer and water.

### **PROGRAMS**

This program collects fees from developers at the time of building permit issuance and is intended to share the cost of backbone infrastructure within the Turlock Regional Industrial Park area. Specifically, this fee has two main components. The Sewer component provides for necessary improvements for the full build out of the area. The Water component provides for necessary improvements for the full build out of the area. All the public facilities were master planned and a fee was attributed to the area based on location, business use, and zoning.

### **GOALS AND OBJECTIVES**

• Continue construction of improvements as funding is available with emphasis on developing shovel ready sites south of West Main Street.

Note: Timing on further infrastructure and reimbursement to developers are dependent on actual development.

### Fund 309 East Tuolumne Master Plan

#### **PURPOSE**

The purpose of this fund is to provide a revenue stream from the development community within the East Tuolumne Master Plan area (approximately 101 acres) for the construction of public infrastructure with the intention of sharing costs of backbone infrastructure associated with transportation, sewer, water, and storm drains.

### **PROGRAMS**

This program collects fees from developers at the time of building permit issuance and is intended to share the cost of backbone infrastructure within the East Tuolumne Master Plan (ETMP) area. Specifically, this fee has four main components. The Transportation component provides for roadway improvements within and adjacent to the plan area. The Sewer component provides for necessary improvements for the full build out of the ETMP. The Water component provides for necessary improvements for the full build out of the ETMP. The Storm Drain component provides for necessary improvements for the full build out of the ETMP. All the public facilities were master planned and a fee was attributed to the ETMP area based on location, business use, and zoning.

### **GOALS AND OBJECTIVES**

Work with developers to continue building out the ETMP

### Fund 405 Building & Safety Division

### **PURPOSE**

The purpose of the Building and Safety Division is to protect the public health and safety through the effective administration of California's Model Building Codes and the City of Turlock's Municipal Code. This is accomplished through the building permit process, which requires: 1) Building plans to be reviewed for compliance with the model and municipal codes; and 2) A permit to build; and 3) Construction that is inspected to ensure compliance with the Code(s) and approved plans.

### **PROGRAMS**

The primary function of the Building and Safety Division Program is reviewing plans for code compliance and inspecting buildings during construction phases. In addition, the Building and Safety Division partners with the Fire Department and Neighborhood Services Division to reduce safety hazards on existing buildings and responds to complaints concerning substandard and dangerous buildings. Additionally, we provide paraprofessional and technical assistance at the public counter in response to our various customer service needs. The Building and Safety Division also participates in the interdepartmental predevelopment process intended to facilitate the review and approval stages of the development process. The Building and Safety Division Program continues to lead in implementing the City's records retention and storage program to maintain current and historical property records. Building permit fees pay for the cost of the Building and Safety Division's operations.

- Implement a new software packages to provide inspection scheduling and improving the electronic plan submittal process.
- Streamline existing processes and develop standard performance targets for the plan check program.

### Fund 411 Storm Drainage Construction

### **PURPOSE**

The purpose of this fund is to provide storm drain infrastructure throughout the City of Turlock in accordance with the Storm Drain Master Plan adopted in 1988.

### **PROGRAMS**

Master storm drain fees are collected from new development at the recordation of their Parcel or Subdivision Map or at building permit issuance. These fees are collected on a per acre and zoning basis.

- Enhance the collection, storage and delivery of storm water to the San Joaquin River.
- Ensure that development mitigates its impacts to the City storm drain system.
- Complete the preparation of a new fee nexus study and adjust fees as needed.

## Fund 412 Sewer Construction

### **PURPOSE**

The purpose of this fund is to provide a revenue stream for the reimbursement to developers for the installation of public sewer lines and the construction of a small amount of public sewer lines on an annual basis.

### **PROGRAMS**

This program collects fees from developers who build adjacent to roadways that have a fully functional sewer line. These fees are collected on a linear foot basis and are used to reimburse the City of Turlock or developers who originally installed the sewer lines.

- Provide reimbursement to developers for the installation of sewer lines.
- Provide reimbursement to the City of Turlock for the installation of sewer lines.
- Provide for the installation of a small amount of sewer lines in needed areas of the City.

## Fund 414 Sewer Line/Trunk Construction

### **PURPOSE**

The purpose of this fund is to provide a revenue stream for the construction of public sewer trunk lines.

### **PROGRAMS**

This program collects fees from developers at the building permit based on the use and zoning of the proposed development or other criteria as provided for in the Municipal Code.

### **GOALS AND OBJECTIVES**

- Provide reimbursement to developers for the installation of sewer trunk lines.
- Provide funds to the City of Turlock for the installation of sewer trunk lines.
- Complete the preparation of a new fee nexus study and adjust fees as needed.

Note: Fund has low balance and is awaiting collection of future development fees to construct additional projects.

## Fund 421 Waterline Construction

### **PURPOSE**

The purpose of this fund is to provide a revenue stream for the reimbursement to developers for the installation of public water lines and the construction of a small amount of public water lines on an annual basis.

### **PROGRAMS**

This program collects fees from developers who build adjacent to roadways that have a fully functional water line. These fees are collected on a linear foot basis and are used to reimburse the City of Turlock or developers who originally installed the water lines.

- Provide reimbursement to developers for the installation of water lines.
- Provide reimbursement to the City of Turlock for the installation of water lines.
- Provide for the installation of a small amount of water lines in needed areas of the City.

## **Housing Program Services**

### **PURPOSE**

The Housing Program Services Division function is to create, maintain and sustain affordable housing opportunities in the community, primarily for persons of low and moderate income as well as other at risk or vulnerable populations such as the elderly, disabled and the homeless. The program is funded out of United States Department of Housing and Urban Development (HUD) entitlement grants. The program receives no subsidy from the General Fund. The principal funds include: Fund 254 Stanislaus County-LEAD-Housing Consortium, Fund 255 Community Development Block Grants, Fund 257 State HOME Grant, and Fund 256 HOME Consortium. This budget also includes one time special HUD enitlement funds related to both COVID Cares Act as well as the American Recovery Act. The Housing program is guided by the City Housing Element to the General Plan, as well as the Consolidated Plan and Annual Action Plans required by HUD. The Division has a staff of three full time positions and is managed by the Development Services Director. The Division's total budget is \$17,777,183.

### **PROGRAMS**

The Housing Program Services Division seeks out grants and other opportunities to develop, rehabilitate or provide loans for the production of low and moderate income housing in our community. Specifically, this production of affordable housing units is achieved by assisting families in rehabilitating their homes or rental units through low interest loans, providing down payment assistance to First Time Home Buyers as well as developing new housing units through community collaborations. Through programs such as the Community Development Block Grants program, the Housing Program also provides assistance for public improvements such as curbs, gutters and sidewalks in low-to-moderate income neighborhoods, public service programs for eligible non-profits and agencies, which provide services to individuals who are low-to-moderate income and fair housing services. The City of Turlock will serve as a partner with Stanislaus County for the 2022-2023 HOME Consortium Investment Partnership Program. The City of Turlock will continue as the reposnsible entity for any prior funding held under the City of Turlock/Stanislaus County HOME Consortium. The members of the Consortium include the cities of Turlock, Ceres, Riverbank, Hughson, Newman, Oakdale, Patterson, Waterford and the County of Stanislaus unincorporated areas.

### GOALS AND OBJECTIVES

The goals for the Division revolve around the needs of the community as set forth in the City of Turlock Consolidated Plan. The Division also works to maintain and increase housing stock as outlined in the City's Housing element. For Fiscal Year 2022-2023 the goals and objectives of the Division will strive to meet the community needs by providing:

• Low interest rate loans to potential homeowners through the First Time Home Buyer program.

## **Housing Program Services**

- Low interest rate loans and grants to low-moderate income households for repairs of their homes through the Rehabilitation Loan Program.
- Acquire, maintain and/or develop affordable housing for low-moderate income households.
- Pursue transitional housing for very low-income, at risk and/or homeless households.
- Public facilities improvments to the City of Turlock Senior Center.
- Provide services through public service grants to non-profit organizations to assist low-moderate income Turlock residents.
- Provide monthly rent subsidies for qualified very low income residents in five Turlock mobile home parks.
- Provide financial assistance to private developers/owners to increase the amount of affordable housing units in Turlock.
- Provide emergency rent, mortage, utility assistance for the purposes of preventing homelessness.

## Fund 625 - Successor Agency - LMI

### **PURPOSE**

The Turlock former Redevelopment Agency was first activated in 1993 and amended in 1996. The total area covered just over 4.300 acres in the City of Turlock. The Agency's primary mission was to eliminate blight within the designated project area as well as promote economic development, help provide essential public facilities, and reconstruct and rehabilitate blighted properties. The general goals and objectives of the Agency were set forth in the Agency's Five-year Implementation Plan.

The City of Turlock serves and the Housing Successor Agency for the Low and Moderate Housing Set Aside (LMI) portion of the former Redevelopment Agency. Funds 621 and 625 reflect the changes necessary with the implementation of a series of enacted legislation which winds down the operations and obligations of the former Redevelopment Agency.

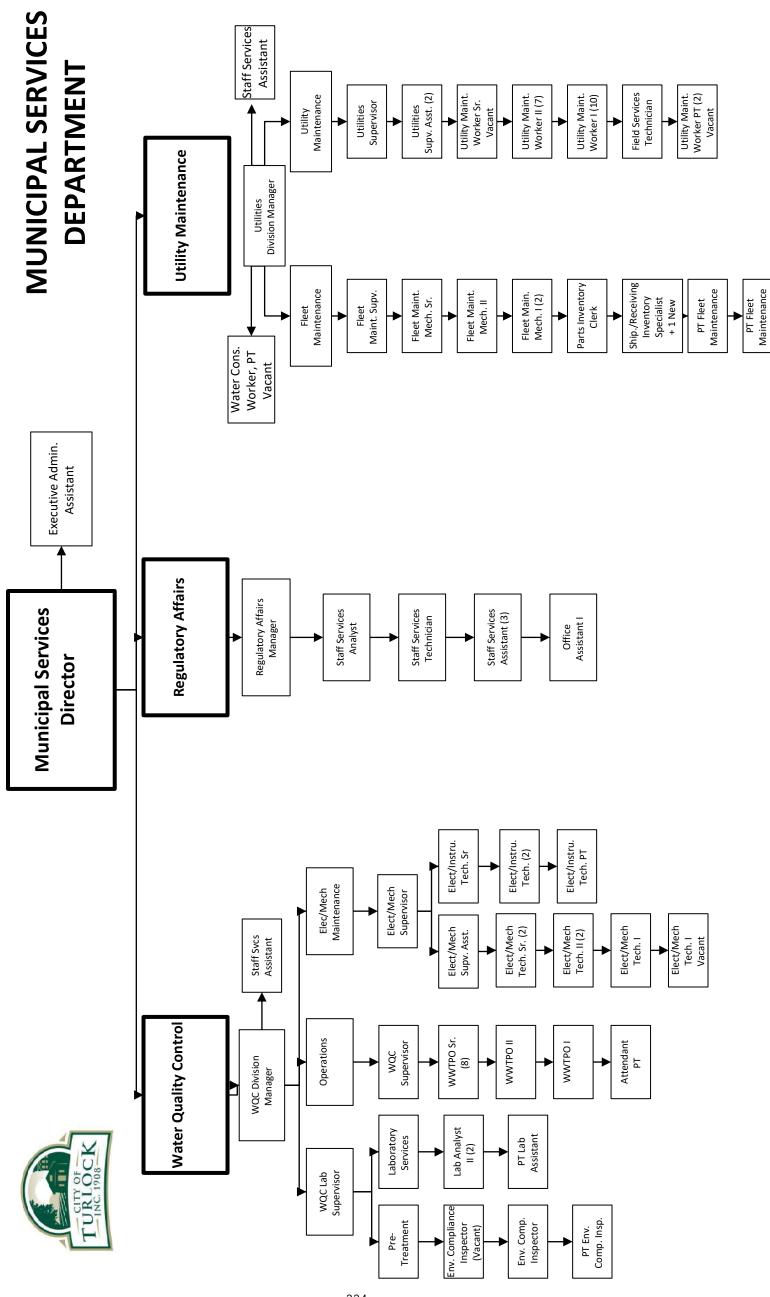

While tax increment revenue has ceased to be revenue to this account, Housing still receives payments and pay offs from loans made from these funds during the life of the Agency. Funds coming into this account are used to pay for the Senior Mobile Home Park rent subsidy program as well as the development of new affordable Housing. Funds most recently have been used to provide upfront capital for the construction of the Avena Bella Phase 2 projects with 60 new units of affordable housing.

FY 2022-2023 ADOPTED BUDGET

June 28, 2022

Vacant

## **Municipal Services Department**

The Municipal Services Department is a full service department, managing a wide variety of areas serving the citizens of Turlock. This department provides and maintains important public infrastructure systems, such as water, wastewater and storm water, to enhance the quality of life for the citizens of Turlock and its visitors. The Department's main objective is to provide effective leadership and fiscal responsibility in the delivery of municipal infrastructure to promote economic development and improve the quality of life for Turlock's citizens and visitors.

In addition to meeting the needs of its external customers, Municipal Services is also committed to serving its internal customers. Realizing our most important assets are our employees, the Department strives to provide a safe and rewarding work environment.

The Municipal Services Department's projected annual budget for Fiscal Year 2022-23 is \$99,149,240 for operating expenses and capital projects.

Outlined below is a brief overview of each division's duties and responsibilities. Municipal Services consists of six divisions utilizing 91 full-time employees performing services in the following divisions:

- Electrical Mechanical Maintenance Division
- Utility Maintenance Division
- Fleet Maintenance Division
- Water Quality Control Division
- Administration Division
- Utility Billing Division

## ELECTRICAL MECHANICAL MAINTENANCE AND INSTRUMENTATION DIVISION

This division is responsible for maintaining the Supervisory Control and Data Acquisition (SCADA) system, and all equipment at the City's Regional Water Quality Control Facility, the Harding pump station, sewer lift stations, industrial sample stations, storm stations, compressed natural gas stations, water wells, water storage tanks, booster pumps, well pumps and motors for park irrigation, standby power generators, street lighting and traffic signal systems.

Each staff member completes at least 50 preventative maintenance work orders each month. Electrical Mechanical staff rotate work orders each month for street lights and traffic signals while Instrumentation staff are responsible for the calibration of instrumentation equipment and replacing as needed through a maintenance management system.

## **Municipal Services Department**

The Division utilizes various pieces of equipment to perform their job duties, such as crane trucks, an aerial truck and a portable standby generator. Electrical Mechanical and Instrumentation staff have electrical certifications and include journey-level welder/fabricators, crane operators and pump technicians.

### UTILITY MAINTENANCE DIVISION

One of this division's main functions is maintaining the health and safety of the City's residents by efficiently and cost-effectively providing a safe and reliable drinking water supply and a reliable water supply for fire suppression. Staff are certified in the fields of water distribution, collections systems, backflow device protection, cross-connection control and water treatment. In conjunction with these services, the division also provides for the operation and maintenance of the City's sanitary sewer and storm water infrastructure.

### FLEET MAINTENANCE DIVISION

This division provides vehicle and equipment repair for all City departments and Transit operations, totaling approximately 1,000 vehicles and pieces of equipment. Staff receives certifications in various aspects and levels of automotive repair. This division also serves as the central shipping and receiving point for deliveries of equipment and supplies to the entire City.

### WATER QUALITY CONTROL DIVISION

The Water Quality Control Division is responsible for the treatment of sanitary wastewater for the City of Turlock and the communities of Ceres, Keyes and Denair. The Turlock Regional Water Quality Control Facility provides primary, secondary and tertiary treatment of sanitary wastewater, as well as the treatment and removal of solids. The wastewater treatment processes are designed to ensure compliance with the water quality standards established by the State Water Resources Control Board and the U.S. Environmental Protection Agency, including the operation of an industrial pretreatment program.

The Division conducts water and wastewater sample analysis to ensure compliance with Federal and State water quality requirements (over 70,000 sets of analyses/year), and professionally certified staff in the fields of wastewater treatment, industrial pretreatment and laboratory analysis. Additionally, the Division is responsible for wastewater and storm water environmental compliance.

## **Municipal Services Department**

### ADMINISTRATION/REGULATORY AFFAIRS DIVISION

This division deals mainly with regulatory compliance issues mandated by local, state and federal agencies. Areas of responsibility include, but are not limited to, employee health and safety, potable water supply, wastewater treatment and disposal, storm water requirements, solid waste and recycling, air quality, and toxic substances. The division also spearheads various public outreach and education efforts to encourage responsible stewardship of environmental resources. Forecasting future utility infrastructure needs based upon data analysis and other tools available is also a responsibility of this division.

Administrative services manages personnel, the routing and handling of public inquiries/complaints as well as oversight of the overall day to day management of the division. Additionally, staff perform a full range of budget responsibilities, including preparing and maintaining the Department budget, tracking revenues, expenses and Capital projects.

### **UTILITY BILLING DIVISION**

The Utility Billing Division is responsible for the management of the utility billing software, rate structures, and the continuity of approximately 19,000 utility service accounts, containing an intricate structure of utility billing, delinquent penalties, delinquent notices, and delinquent water shut-off on a weekly basis by quadrant. Staff coordinates services for new construction and remodels in conjunction with the Development Services permitting process. Utility Billing monitors and troubleshoots the retrieval of water usage through the automated meter reading data collection system.

Staff prepare approximately 4,000 business license renewals and delinquent notices on a semiannual basis, processing and maintaining the viability of new business license applications for taxation through to compliance. Utility Billing also coordinates with the Turlock Fire Department each year to process fireworks booth applications. Staff members belong to the California Municipal Revenue and Tax Association and attend regular trainings and conferences.

Utility Billing is responsible for annual and quarterly filing of the Diesel Tax Refunds and Disability Access Fees to the State of California, quarterly billing for Transient Occupancy Taxes, and weekly or monthly billing for various City department fees. Staff processes property liens for abatements and miscellaneous services, prepares the annual County tax roll, and coordinates with a third-party service for debt collection.

As the accounts receivable division, staff process all cash, check, credit card and electronic payment revenues received by the City.

# Fund 204 Solid Waste Education and Management

### **PURPOSE**

The Solid Waste Education and Management Fund is used to increase the diversion of solid waste from landfills by supporting programs and outreach efforts that increase recycling and the proper disposal of solid waste and hazardous materials. The majority of the programs are funded by County and State fees established by State Law (AB 939).

### **PROGRAMS**

To promote waste reduction, resource recovery, recycling, composting and waste diversion the City implements the following programs:

- **Take Pride in Turlock**: Free one-day trash disposal for Turlock residents (annual).
- **Public Education**: Through various media, inform the public of various solid waste issues, including proper recycling, household hazardous waste, e-waste, universal waste, used oil and tire disposal.
- **Solid Waste Recycling**: Purchase supplies and equipment to increase the recycling of solid waste, including large events and venues.
- **Household Hazardous Waste**: Encourage the proper disposal of household hazardous waste by improving access to specialized waste collection facilities.
- **School Education**: Encourage young people to recycle and conserve resources through school-based education programs such as Go Green Week and other youth-oriented education and outreach programs.

- Attain state-mandated solid waste diversion rates pursuant to AB939 and Countywide Integrated Waste Management Plan.
- Improve recycling rate and success of three can trash disposal system operated by the City's contracted waste hauler, Turlock Scavenger.
- Provide annual free trash disposal to Turlock residents to improve the City's general appearance.
- Increase public awareness of solid waste issues and participation in various solid waste management and diversion programs such as: Household hazardous waste, used oil, tire disposal, etc.

## Fund 410 Water Quality Control

### **PURPOSE**

The Water Quality Control Division is responsible for the collection and treatment of sanitary wastewater for the City of Turlock and the communities of Ceres, Keyes and Denair. The Turlock Regional Water Quality Control Facility provides primary, secondary and tertiary treatment of sanitary wastewater, as well as the removal of solids. The wastewater treatment processes are designed to ensure compliance with the water quality standards established by the State Water Resources Control Board and the U.S. Environmental Protection Agency, including the operation of an industrial pretreatment program. The Division is responsible for the operation and maintenance of sewer line and lift stations, laboratory operations, waste water, storm water and environmental compliance. The Water Quality Control Division is also charged with the collection of storm water and the maintenance of all storm water infrastructure. Water Quality Control (Fund 410) has a budget of \$31,177,593 for Fiscal Year 2022-23.

There are 52 full-time employees who are funded in Water Quality Control. Of these 52 employees, 38 work in operations and maintenance, 9 work in administration, and 5 work in utility billing.

### **PROGRAMS**

The Water Quality Control Division is organized into a number of program areas:

- Wastewater Treatment Facility: Operates and maintains a facility that processes an average of 11 million gallons of wastewater per day.
- Wastewater Collection: Operates, maintains and repairs the wastewater collection system including sewer mains, laterals, manholes and pump stations; responds to customer complaints; performs regular and systematic rodding, hydrocleaning and televising of sewer mains.
- **Laboratory**: Analyzes untreated and treated wastewater, determines chemical, physical and bacteriological characteristics of treated and untreated wastewater, evaluates treatment effectiveness, maintains records and prepares reports. The laboratory also undertakes testing and analysis for the City of Turlock's drinking water system.
- Environmental Compliance: Implements the City's industrial pretreatment program, including monitoring and reporting of 29 permitted non-domestic dischargers (including 18 major industries), performs grease interceptor and sand and oil trap inspections, enforces sanitary sewer and storm water regulations and coordinates a safety program.
- **Storm System Maintenance**: Maintains the City's storm drain system and coordinates emergency response during storms.

## Fund 410 Water Quality Control

- **Administration**: Directs, supervises and plans operation of the City's wastewater utility, prepares studies and reports, oversees utility billing and issues permits for connections to the collection system.
- Capital Improvements: Coordinate maintenance and upgrades to City's wastewater collection and treatment infrastructure.

- Protect the public health, the environment, and the waters of the State of California
  by providing appropriate wastewater treatment processes to all wastewater
  collected, and by ensuring that all treated wastewater that is discharged from the
  Turlock Regional Water Quality Control Facility meets or exceeds State and Federal
  requirements.
- Operate and maintain the Turlock Regional Water Quality Control Facility, sanitary sewer system and storm drain system in a reliable, safe, productive, and cost-efficient manner. Provide excellent customer service.
- Ensure compliance with the Regional Water Quality Control Board's Order No. R5-2015-0027 (Waste Discharge Requirements for the Turlock Regional Water Quality Control Facility).
- Ensure that all treatment and conveyance facilities are operated effectively and efficiently.
- Continue an effective and coordinated preventative maintenance program for all wastewater and storm drain infrastructure.
- Clean and video inspect 1/4 of the sanitary sewer system every year.
- Undertake supplemental monitoring program to supply data for future permit requirements.
- Seek opportunities for the beneficial reuse of treated wastewater with emphasis in a regional approach for recycled water use.
- Continue programs that allow for the beneficial reuse of biosolids.
- Maintain dialogue with the Regional Water Quality Control Board on future Waste Discharge Requirements for the City of Turlock's Regional Water Quality Control Facility.
- Provide adequate training opportunities to remain abreast of technical, mechanical, safety and analytical improvements in the wastewater treatment and collection industry.
- Respond to citizen inquires within 24 hours.
- Maintain storm facilities to temporarily collect storm water and hold until water can be released to the river.
- Maintain fenced storm basins weed free, to collect and hold storm/nuisance water temporarily.

## Fund 410 Water Quality Control

### **BUDGET HIGHLIGHTS**

The budget year reflects a continuation of the development of specific Capital Improvement Projects for Water Quality Control, sanitary sewerage and storm water systems. These projects and other equipment repairs or replacement total \$9,165,849 during the Fiscal Year 2022-23 budget cycle. Most of these projects are funded from reserves, reflecting the City's policy of setting aside revenues to replace equipment and infrastructure that exceeds its useful life. Additionally, the capital projects typically result from increasingly stringent regulatory requirements.

# CITY OF TURLOCK BUDGET FY 22-23

# Fund 413 Water Quality Control Capital Expansion Reserve

# **PURPOSE**

The Water Quality Control Capital Expansion Reserve is used to construct capital wastewater and storm water projects necessitated by new growth and development. The City of Turlock collects development impact fees to add capacity to the wastewater and storm water systems as new growth and development occurs, and to ensure that growth pays its own way without subsidies from existing customers.

### **PROGRAMS**

To mitigate the impacts of growth on the City of Turlock's wastewater and storm water infrastructure, capital improvements are programmed to do the following:

- Ensure that new growth and development does not create deficiencies in the City's critical wastewater and storm water systems.
- Invest prudently in critical infrastructure improvements that will improve system capacity.
- Prepare strategic infrastructure and investment plans to effectively plan for growth and development with an appropriate financing strategy.
- Ensure the City of Turlock Wastewater Treatment Facility remains a state of the art operation. Comply with the provisions RWQCB'S Waste Discharge Requirements for the City of Turlock's Control Facility.

#### **BUDGET HIGHLIGHTS**

• Connect the Dianne Storm Basin to the RWQCF to increase the City's supply of recycled water for beneficial uses.

# CITY OF TURLOCK BUDGET FY 22-23

# Fund 416 Recycle Water Sales

## **PURPOSE**

This fund provides the funding for recycled water projects, primarily the Turlock component of the North Valley Regional Recycled Water Project (NVRRWP) through the sale of recycled water. The NVRRWP is a partnership between the cities of Turlock and Modesto who take their treated recycled water and send it to the Del Puerto Water District via the Delta Mendota Canal. The District, in turn, distributea that water to agricultural customers in its service area. The Del Puerto Water District was responsible for all costs associated with construction and operation of the program. The project constructed a pipeline to convey recycled water by gravity from the City of Turlock's Harding Drain Bypass Pipeline to a pump station at the City of Modesto's Water Quality Control Facility on Jennings Road, where it combines with recycled water from Modesto for conveyance to the Delta Mendota Canal. The Turlock Component of the North Valley Project involved 37,800 linear feet (seven miles) of 36-inch diameter pipeline.

# **GOALS AND OBJECTIVES**

- Ensure Turlock's disinfected tertiary-treated wastewater "recycled water" is used in a beneficial manner.
- Develop a stream or revenue from recycled water sales to construct, operate, and maintain capital infrastructure for the treatment and conveyance of recycled water.

## **BUDGET HIGHLIGHTS**

• While this project has been completed, maintenance is required for air relief valves, cathodic protection units, special valves and the Supervisory Control and Data Acquisition (SCADA) system.

# CITY OF TURLOCK BUDGET FY 22-23

# Fund 420 Water Enterprise

## **PURPOSE**

The City of Turlock operates its own water utility that is responsible for the provision of an adequate and reliable supply of potable water to approximately 19,000 residential, commercial and industrial accounts. All water is monitored to ensure compliance with stringent health standards established by the State Division of Drinking Water (DDW). The water utility is also responsible for ensuring adequate fire flows and pressures for fire suppression purposes. In December 2017, City Council adopted a series of rate increases that ended in January 2022. There are 32 full-time employees funded from the Water Enterprise Fund, of which 26 work in operations and maintenance, 3 work in administration, and 3 work in utility billing. For Fiscal Year 2022-23 the Water Enterprise Fund has a projected budget of \$63,085,918.

# **PROGRAMS**

The Utility Division is organized in to a number of program areas:

- Water Production: Operates and maintains the City's drinking water well system which produced 6.456 billion gallons of potable water in 2021 from 18 active groundwater wells.
- Water Distribution: Operates, maintains and repairs the City's drinking water distribution system which includes approximately 265 miles of water lines, three one-million gallon water storage tanks, and nearly 19,000 water meters.
- Water Conservation: Ensures prudent and responsible water use.
- **Capital Improvements**: Coordinates maintenance and upgrades to City's water production and distribution infrastructure.
- **Drinking Water Quality & Safety**: Protect the City's drinking water supply through development and sampling standards for new construction and the implementation of a backflow prevention program.

#### GOALS AND OBJECTIVES

- Protect the public health by providing an adequate and reliable supply of safe drinking water that meets or exceeds the minimum standards established by the State Division of Drinking Water (DDW).
- Operate and maintain the City of Turlock's water utility in a reliable, safe, productive, and cost-efficient manner. Provide excellent customer service.
- Protect the quality and quantity of the City's drinking water supply, including the construction of new wells and continued evaluation of water storage opportunities to improve system pressure.

# CITY OF TURLOCK BUDGET FY 22-23

# Fund 420 Water Enterprise

# GOALS AND OBJECTIVES (cont.)

- Cooperate in regional efforts to manage the groundwater basin, including the completion of a groundwater management plan, and the development of an Integrated Regional Water Management Plan.
- Work with our Regional Partners to diversify the City's supply through the evaluation of and construction of a surface water treatment facility.
- Increase the profile of the City's water conservation efforts to encourage prudent and responsible water use.
- Continue implementation of a universal water meter program, including an Automated Meter Reader (AMR) system consistent with Council goals and State Law.
- Continue preventive maintenance programs and strategic infrastructure investments that ensure the efficient use of the City's groundwater supplies and protects the public's investment in the potable water system.
- Continue ongoing sampling of the City's water supply, analyze data, and file reports to monitor the quality of the City's water supply and assess its vulnerability.
- Continue participation of Downtown PCE mitigation treatment system in cooperation with the CVRWQCB.

# CITY OF TURLOCK BUDGET FY 22-23

# Fund 422 Well Remediation

## **PURPOSE**

Well Remediation is to withdraw groundwater or inject water, air or other solutions into the subsurface for the purpose of remediating, cleaning up, or controlling potential or actual groundwater contamination.

# **GOALS AND OBJECTIVES**

Plan to improve the quality of the waters of the state that have been directly and adversely impacted. Take action to:

- Clean up, remove, remediate, contain, treat, monitor, assess, evaluate, or in any way address Hazardous Materials in the indoor or outdoor environment
- Prevent or minimize a release or threatened release of Hazardous Materials so they do not migrate or endanger or threaten to endanger public health or welfare or the indoor or outdoor environment
- Restore or reclaim natural resources or the environment
- Perform any pre-remedial studies, investigations, or post-remedial operation and maintenance activities, or
- Conduct any other actions with respect to Hazardous Materials required by Environmental Laws

# **BUDGET HIGHLIGHTS**

Emergency improvements or repairs to existing water systems as necessary to provide an adequate supply of domestic water. Improvements or repairs will typically only be funded if shown to be a more cost-effective interim solution than provision of interim alternate water supplies. Eligible improvements or repairs include but are not limited to:

- Well rehabilitation or replacement
- Emergency interties, extension of service, or consolidation projects
- Treatment Systems
- Rented, borrowed or purchased equipment
- Design, installation and initial startup costs of approximately \$1.5 million

# CITY OF TURLOCK BUDGET FY 22-23

# Fund 505 Fleet Services

## **PURPOSE**

The Fleet Services Division is responsible for the maintenance and the majority of repairs of all City vehicles, power equipment and Federally funded buses. Further, Fleet Services maintains all of the heavy duty equipment assigned to various departments within the City of Turlock.

#### **PROGRAMS**

Fleet Services repairs are categorized as follows:

<ul> <li>Emergency Vehicles (Code 3): Police and Fire Services - Patrol cars, detective vehicles, SWAT vans, SUV Command vehicles, etc</li> <li>Heavy Equipment: On and off road equipment for various departments, including dump trucks, loaders, tractors, crane trucks, combination cleaners, etc</li> <li>Trucks and Automobiles: For various departments, including one-ton, light/medium duty, non-emergency (gas and hybrids) sedans/SUVs</li> <li>Small Equipment: Trimmers, edgers, saws, tampers, etc</li> <li>Transit Bus Operations: medium duty (gas) buses and heavy duty (CNG) buses</li> <li>Trailers, generators, pumps, carts, and compressors</li> <li>TOTAL VEHICLES AND PIECES OF EQUIPMENT</li> </ul>		DESCRIPTION	TOTAL

# **GOALS AND OBJECTIVES**

- Maintain and repair all City vehicles and small equipment ensuring maximum productivity and quality repairs.
- Ensure that the City's expanding bus fleet is properly maintained to ensure passenger safety and excellent customer service.
- Continue to promote Automotive Service Excellence (ASE) certification program.
- Provide quality service at equal or lower cost than a private repair facility to all departments.

#### **BUDGET HIGHLIGHTS**

- Continue to train the employees on the latest technology to ensure compliance with all air quality needs.
- This budget year continues the effort to hold costs equivalent to that charged in private repair facilities.

Homeless Coordinator (pending consideration/approval of City Council, from part-time to full-time)

The following glossary provides a brief explanation of terms and acronyms used throughout the Budget document. This information is provided to assist the public in reviewing and understanding the Budget by defining the many technical terms, abbreviations, and acronyms used in presenting budget information.

#### **ACCOUNT**

A record of a monetary transaction maintained in the accounting ledger. It may be a classification of expenditure or revenue. Example: "Supplies" is an account in the Operations and Maintenance expenditure category.

#### **ACCRUAL BASIS OF ACCOUNTING**

The basis of accounting under which revenues are recorded when earned and expenditures (or expenses) are recorded as soon as they result in liabilities (obligation to pay) for goods and/or services received. The actual receipt (for revenues) or payment (for expenditures) of cash is not the determining factor when deciding on the proper accounting period for recording revenues and expenditures under the accrual basis of accounting.

#### **ACTUAL**

A column heading in the budget. Figures found in the Actual column indicate actual financial information recorded for that time period.

### **AMERICANS WITH DISABILITIES ACT (ADA)**

Americans with Disabilities Act, Public Law 336 of the 101st Congress, enacted July 26, 1990. The ADA prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation. It also mandates the establishment of TDD/telephone relay services.

### **ADOPTED BUDGET**

The budget document formally approved by the City Council after the required public hearing and deliberations on the City Manager's Budget. It sets forth authorized expenditures and the means of financing those expenditures for a given fiscal year. This term is used interchangeably with the term "Final Budget."

### **AD VALOREM TAXES**

Revenue from taxes paid on real property and personal property which is calculated based on the "value" of the property.

#### **APPROPRIATION**

The legal spending level authorized by an ordinance, resolution, or minute action of the City Council. Spending cannot legally exceed this level without approval by the Council. An appropriation expires at the end of the fiscal year.

## **ARPA (American Rescue Plan Act)**

The American Rescue Plan, signed into law on March 2021, provides \$350 billion in funding for state and local governments to build an equitable economic recovery from the devastating economic effects caused by the COVID-19 pandemic.

#### **ASSESSED VALUATION**

A valuation set upon real estate or other property by the County Assessor or State Board of Equalization which serves as a basis for levying property taxes.

(Continued)

#### **ASSESSMENT ROLL**

The official list prepared by the County Assessor which contains the legal description of each parcel or item of property and its assessed valuation. This term is used to denote the total valuation of all taxable property in the City.

#### **AUDIT**

An examination of the City's financial records by an independent, certified public accounting firm to determine the accuracy and validity of records and reports, and the conformity of procedures with established policy and GAAP.

#### **BALANCED BUDGET**

A balanced budget requires that the amount of budgeted expenditures be equal to or less than the amount of projected revenues for the budget year.

# **BAN (Bond Anticipation Notes)**

A short-term debt instrument issued by a state or municipality to borrow against the proceeds of an upcoming bond issue.

#### **BASIS OF ACCOUNTING**

A term used to refer to when revenues, expenditures (expenses), and transfers – and the related assets and liabilities – are recognized in the accounts and reported in the financial statements. The City of Turlock uses the accrual basis of accounting. See Accrual Basis.

### **BEGINNING BALANCE**

The beginning balance of a fund is comprised of unspent funds brought forward from the previous fiscal year, i.e. the ending balance for the fiscal year just ended.

# **BIDS, BIDDING**

A process whereby a public agency awards contracts for construction or construction-related work objectively, based on bids. Bids are offers to perform the work for a specific price, with the contract going to the lowest responsive bidder. See Responsive Bidder.

#### **BOND**

A written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayment of the principal are detailed in a bond agreement. Bonds are most frequently used for construction of large capital projects, such as buildings and streets. Also, the term bond is used to describe a performance bond whereby an independent, third party financially guarantees the actions or performance of another.

#### **BUDGET**

The planning and controlling document for financial operations which sets forth estimates of proposed expenditures and revenues for the fiscal year. Also, when used as a column heading, the approved level of funding for that time period.

# **BUDGET CALENDAR**

The schedule of key dates that the City's departments follow in the preparation, adoption and administration of the budget.

(Continued)

# **BUDGET MESSAGE**

The opening section of the budget that provides the City Council and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations of the City Manager.

#### **BUDGET RESOLUTION**

The official enactment by the City Council to establish legal authority for City officials to obligate and expend resources.

#### **BUDGETARY CONTROL**

The level of control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the appropriations limit and available revenues. The City of Turlock budgetary control begins at the department level. Departments can reallocate spending within an Object (i.e. Supplies or Utilities) with the exception of Personnel and Capital Outlay. The total expenditures for that Object cannot be increased without the approval of the City Manager or City Council. Any reallocations between Objects must be approved by the City Manager. Only the City Council can approve increases in the total appropriation for a Department.

#### **BUDGETING BASIS**

The budgeting basis for the City of Turlock is modified from the accrual basis in that depreciation expense is not shown in the budget, capital expenditures are shown as a use of resources (rather that an asset), and principal payments on debt are shown as a use of resources (rather than a reduction in a liability).

# **CAPITAL ASSETS**

Tangible items of long-term character (useful life expected to be longer than one year) which are intended to continue to be held and used by the City, including land, buildings, machinery, furniture, equipment, and equipment.

# **CAPITAL IMPROVEMENT PROGRAM (CIP)**

A plan for funding additions, improvements and/or replacements to capital assets to be incurred over a fixed period of time.

#### **CAPITAL OUTLAYS**

Expenditures available for the acquisition of tangible items which are anticipated to have a useful life of longer than one year, including the cost of land, buildings, permanent improvements, machinery, large tools, vehicles and large pieces of equipment.

#### **CAPITAL PROJECT**

A new structure or facility or a major improvement to an existing structure or facility, which significantly increases the value of a structure or facility.

### **CAPITAL RESERVE**

An account used to indicate that a portion of a fund's balance is legally restricted for a specific capital purpose and is, therefore, not available for discretionary appropriation.

# **CASH BASIS OF ACCOUNTING**

The basis of accounting under which revenues are recorded when received in cash and expenditures (or expenses) are recorded when cash is disbursed. To be in conformance with Generally Accepted Accounting Principles (GAAP), local governments must use an accrual basis rather than the cash basis of accounting when preparing their financial statements.

(Continued)

#### **CASH MANAGEMENT**

The process necessary to pay for governmental services, while investing temporary cash excesses in order to earn interest revenue. Cash management refers to the activities of forecasting the inflows and outflows of cash, mobilizing cash to improve its availability for investment, and establishing and maintaining banking relationships.

## CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

California Environmental Quality Act – statutes contained in Sections 21000-21177 of the Public Resources Code of the State of California – establishes the requirements for evaluating the environmental effects of proposed projects. The administration of CEOA is governed by the State CEOA Guidelines.

# **COMMUNITY FACILITIES DISTRICT (CFD)**

Commonly referred to as a Mello-Roos District, a CFD is a district with a special tax on real property to pay for capital projects and/or public services. The term "Mello-Roos" comes from the two state legislators who authored the implementing law.

### **COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)**

Funding from the U. S. Department of Housing and Urban Development (HUD) whose use is restricted for prescribed purposes primarily to assist in the preservation and production of affordable housing. CDBG law specifies what types of programs can be funded with this revenue source, which is accounted for in a restricted fund.

#### **CONTINGENCY**

A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted.

### **DEBT SERVICE**

The City's obligation to make principal and interest payments on all bonds, leases, and other debt instruments according to a pre-determined payment schedule.

#### **DEPARTMENT**

An organizational unit used by the City to group services, programs, or functions which are usually similar in nature. Each department is managed by an appointed department head.

### **DEPARTMENT HEAD**

An official appointed by the City Manager who is responsible for managing a City department.

# **DISCRETIONARY FUNDS**

The total of discretionary revenues (defined below) plus the unreserved General Fund Ending Fund balance from the preceding fiscal year. The City Council has discretion in deciding how these funds are used.

#### **DISCRETIONARY REVENUES**

Revenues received by the City which can be used for any legal purpose as determined by the City Council. Discretionary revenues are not earmarked by law or contractual relationship for a specified purpose, and the Council has discretion in deciding how these revenues are used. The term "discretionary" does not imply surplus.

# **ENVIRONMENTAL IMPACT REPORT (EIR)**

An Environmental Impact Report is a detailed statement prepared under CEQA guidelines describing and analyzing the significant effects of a project on the environment (as defined by CEQA) and discussing ways to lessen or avoid the effects. The contents of an EIR are discussed in Article 9, beginning with Section 15120 of the State CEQA Guidelines.

(Continued)

#### **EMPLOYEE BENEFITS**

Amounts paid on behalf of employees. These amounts are not part of the employee's gross salary. Examples are group health or life insurance payments, contributions to employee retirement plans, Social Security and/or Medicare taxes, workers' compensation insurance payments, and unemployment insurance payments. For the City of Turlock, our health and workers' compensation programs are self-funded so the benefits include payments made to health and work comp service providers, insurance premiums for insurance coverage over retained (deductible) levels and costs associated with administration of the individual programs.

#### **ENCUMBRANCE**

The commitment of appropriated funds to purchase an item or service. To encumber funds is to set aside or commit funds for future expenditures.

#### **ENTERPRISE FUND**

A fund established to finance and account for the operation and maintenance of operations, facilities and services which are intended to be supported by user charges. Municipal services such as water, wastewater (sewer), and refuse collection are examples of services that are often accounted for in separate Enterprise funds.

# **EDUCATIONAL REVENUE AUGMENTATION FUND (ERAF)**

Educational Revenue Augmentation Fund was set up by the State to take local property tax revenues for redistribution to the school system. Proposition 98 guaranteed schools 60% of the State's General Fund revenues. By creating ERAF, the State took local property taxes from cities, counties and special districts and used them to pay part of the cost of school funding.

# **EXPENDITURE**

Payment of funds appropriated by the City Council, resulting in a decrease in current assets (cash).

# **EXPENDITURE APPROPRIATION**

See Appropriation

### **FEES**

Charges for services levied by the government to recover costs associated with providing a service or permitting an activity. Examples of fees include monthly water, sewer and garbage collection fees, Plan Checking Fees, Building & Engineering Permitting Fees, and Franchise Fees.

#### **FINAL BUDGET**

The budget document formally approved by the City Council after the required public hearings and deliberation on the recommended budget. It is a legal spending plan for the fiscal year. This term is used interchangeably with the term "Adopted Budget."

### **FISCAL YEAR**

Abbreviated as FY (or FYE for fiscal year end), the twelve-month period for which a budget is prepared and adopted. The fiscal year for the City of Turlock is July 1 to June 30.

# **FIXED ASSETS**

Tangible items of long-term character (useful life expected to be longer than one year) which are intended to continue to be held and used by the City, including land, buildings, machinery, furniture, equipment, and equipment.

(Continued)

#### **FRANCHISE FEE**

A fee charged for the privilege of using public rights-of-way and property within the City for public or private purposes. The City charges franchise fees for natural gas, electricity, cable television and garbage collection operations.

#### **FROZEN POSITION**

A position that is frozen and not budgeted (defunded).

# **FULL-TIME EQUIVALENT POSITIONS (FTE)**

The number of regular positions to be funded in the budget. Full-time is typically defined as a position which is budgeted 40 hours a week or 2,080 hours a year.

#### **FUND**

A separate fiscal and accounting entity that is established to control and account for all financial transactions for a specific type or grouping of government activities. A fund is a separate set of self-balancing accounts comprised of the assets, liabilities, equity, revenues and expenditures (expenses) for the specified activity.

#### **FUND BALANCE**

Fund balances, beginning and ending, are established to show the amount of assets in excess of the liabilities for a fiscal year. The ending fund balance for a completed fiscal year becomes the beginning fund balance for the next fiscal year.

### **FUND BALANCE APPROPRIATED**

This is a budgetary amount representing the amount of fund balance to be used, in conjunction with revenues, to offset expenditures during a fiscal year. Fund balance appropriated cannot exceed the sum of unencumbered cash and investments available in the fund.

# **GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP)**

Generally Accepted Accounting Principles are the set of uniform, minimum professional standards and guidelines for financial accounting and reporting. GAAP encompasses the conventions, rules and procedures necessary to define generally accepted accounting practices. The City prepares its financial statements in accordance with GAAP accepted in the United States of America.

# **GANN LIMIT**

An absolute dollar limit on the amount of funds derived from taxes that the City can legally appropriate and expend each fiscal year, as specified by Article 13-B of the State Constitution. Any tax revenues in excess of the Gann Limit must be returned to taxpayers. The base-year used on computing the Gann Limit is FY 1978-79, with adjustments to the appropriations limit allowed in succeeding fiscal years for changes in population and changes in the cost of living.

#### **GOVERNMENTAL ACCOUNTING STANDARDS BOARD (GASB)**

Governmental Accounting Standards Board is the accounting profession's regulatory body for governmental accounting and determines what constitutes GAAP for governmental agencies.

# **GENERAL FUND**

The General Fund is where discretionary revenues are deposited to fund the programs and departments established to achieve the goals and objectives of the City Council. The General Fund represents the largest discretionary financial resource of the City of Turlock.

(Continued)

#### **GENERAL LEDGER**

The general ledger is the system and structure of accounts that record the financial transactions and report the financial position of the city of Turlock. The general ledger is automated and meets GAAP.

#### **GENERAL PLAN**

The comprehensive plan, required by Section 65300 of the Government Code of the State of California, that contains the goals, objectives, policies, and specific actions that guide the long-term land development and growth of the City of Turlock.

### **GEOGRAPHIC INFORMATION SYSTEM (GIS)**

Geographic Information System is a computerized rendering of the physical layout of the City of Turlock. It is a dimensionally exact, multi-layered map displaying all of the public services and physical characteristics of every parcel of real property in the city. It is an invaluable tool for public works and public safety personnel.

#### **GRANT**

A financial contribution from one governmental unit or private entity to another for a specific purpose and/or time period. Most of the grants received by the City of Turlock are from the State and federal governments.

#### **INFRASTRUCTURE**

Public facilities built on or under the ground such as streets, roads, sidewalks, curbs, pipes, drains, lights, bridges, parks, and water and sewer systems. These types of capital assets are differentiated from buildings.

### **INTERFUND TRANSFERS**

Amounts transferred from one fund to another. Interfund transfers must be approved by the City Council and are a normal means to record the cost of goods and services provided by one fund to another. The City of Turlock also uses interfund transfers when a capital project is being funded from multiple sources. The project expenditures are accounted for in one fund and with the contributing funds transferring their financial contribution to the project fund.

#### **INVESTMENT INCOME**

Revenue earned by investing the City's idle cash reserves. The City of Turlock invests its funds in accordance with the California Government Code. Investment earnings are deposited and used for fund specific purposes.

# **INVESTMENT POLICY**

The Investment Policy is a written, Council-adopted policy delineating permitted investments for the City's idle cash. The City of Turlock's Investment Policy is updated and reaffirmed regularly.

#### JOB CLASSIFICATION

Assignment of a position title and job description with an associated pay range based on the job skills required for the position.

#### MANDATED PROGRAM

A requirement by the State or federal government that the City perform a task, perform a task in a particular way, or perform a task to meet a particular standard, often without compensation from the higher level of government.

# **MEMORANDUM OF UNDERSTANDING (MOU)**

Memorandum of Understanding is a formalized agreement of processes, results, and/or operating rules between two or more entities. The City typically uses MOU's in the collective bargaining process with its employee groups.

(Continued)

#### MODIFIED ACCRUAL BASIS OF ACCOUNTING

Under the modified accrual basis of accounting, revenues are recognized in the period in which they become available and measurable, and expenditures are recognized at the time a liability is incurred pursuant to appropriation authority.

#### **NON-GENERAL FUND**

These are all funds other than the General Fund. Non-General Fund types include Special Revenue, Capital Project, Enterprise, Internal Service and Trust/Agency Funds.

#### **OPERATING EXPENSES**

The portion of the budget pertaining to the daily operations that provides basic governmental services.

#### **ORDINANCE**

A formal legislative enactment by the City Council. It has the full force and effect of law within the City boundaries unless it is in conflict with any higher form of law, such as a State statute or constitutional provision.

#### **OTHER TAXES**

Taxes other than property tax. This category includes local sales tax, business license tax, transient occupancy tax (hotel & motel tax), and Vehicle in Lieu (VLF) tax.

#### PERFORMANCE MEASURE

A quantitative indicator that programs or services are directly contributing to the achievement of a strategic plan. This includes indicators of inputs, output, outcomes, productivity, timeliness, and/or quality.

# CALIFORNIA PUBLIC EMPLOYEES RETIREMENT SYSTEM (PERS OR CalPERS)

The California Public Employees Retirement System provides retirement benefits through a defined pension plan for State and many local government employees in California. Local agencies like the City of Turlock choose to contract with CalPERS for public pension management.

#### PERSONNEL EXPENSES

A general expenditure category that includes salaries and wages, as well as related employee benefits such as retirement, health (medical, dental and vision) insurance, workers' compensation insurance and life insurance.

# **PRELIMINARY BUDGET**

The budget submitted by the City Manager to the City Council and the public. It contains the proposed revenues and expenditures by Fund for the upcoming budget year(s). The Preliminary Budget has typically been prepared by the Department Directors and reviewed with the City Manager and Finance Staff. Depending on the direction provided by the City Council, the Preliminary Budget may have also been reviewed with a Council Budget Subcommittee prior to being presented to the entire City Council.

### **PROCEEDS OF TAXES**

Revenue received from "tax" sources, such as property taxes, sales and use taxes, and other types of taxes. Proceeds of taxes are subject to the Gann Limit.

# **PROJECTED REVENUE**

The amount of revenue that is expected to be collected during a fiscal year.

(Continued)

#### **PROPERTY TAX**

An "ad valorem" tax on real property, based upon the value of the property. In accordance with Proposition 13, secured property is taxed at the rate of one percent of assessed valuation, plus a rate sufficient to generate revenue necessary to pay for voter approved indebtedness.

#### PROPOSED BUDGET

The City Manager's recommendation for the City's financial operations, which includes an estimate of proposed expenditures and revenues for a given fiscal year.

#### **PROPOSITION 4**

The State-wide ballot initiative measure approved by the voters in November, 1979, which established the Gann Appropriations Limit through amendment of the State Constitution (Article 13-B of the State Constitution). See Gann Limit.

#### **PROPOSITION 13**

A State-wide ballot initiative measure (known as the Jarvis/Gann Initiative) enacted by the voters in June, 1978, which amended the State Constitution to limit property taxes to 1% of the 1975-76 market value, and which limited annual increases in assessed valuation to 2% (except for new construction or property which changes ownership).

#### **RECLASSIFICATION**

Change in a position title and/or the associated pay range based on changes in the job skills required for a given position.

# **RECOMMENDED BUDGET**

The Recommended Budget document is provided by the City Manager's Office and serves as the basis for public hearings prior to the determination of the adopted budget.

#### **RESERVE**

Funds not appropriated for expenditure, which are legally segregated for a specific future use.

### **RESPONSIVE BID**

A bid or proposal which substantially complies with the invitation to bid or request for proposals, and meets all prescribed public procurement procedures and requirements.

#### **REVENUE**

Funds received by the City as income, including sales and property taxes, licenses and permits, fees for specific services, receipts/reimbursements from other governmental entities, fines and forfeitures, grants, and investment income.

#### **REVENUE BONDS**

Bonds for the construction of capital projects, the principal and interest of which are payable exclusively from the revenue of an Enterprise Fund. A lien is placed on the project funded by the bonds until they are fully paid.

# **REVENUE CATEGORIES**

The major categories of General Fund revenues are property taxes, other taxes, franchise fees and assessments, fines and penalties, investment income, rents and concessions, and intrafund transfers. Other revenues specific to General Fund departments are listed by department. Other revenues related to non-General Fund activities are described in their respective sections of the budget.

(Continued)

### **REQUEST FOR PROPOSALS (RFP)**

Request for Proposals, similar to a bid but used when the desired product or service is not fully quantifiable, such as "Audit Services".

# **REQUEST FOR QUALIFICATIONS (RFQ)**

Request for Qualifications is a process whereby professional services are solicited, where the products or services needed require substantial assistance to define. The qualifications and experience of the solicited professional are important qualifying characteristics.

#### **SALES AND USE TAX**

A tax imposed on the sale or use of all tangible personal property. Sales and use taxes have several components. The City's share of the sales and use tax is 95% of the local 1%. The remaining 5% of the local 1% is shared with Stanislaus County pursuant to a tax sharing agreement.

#### **SELF-INSURED**

Insurance of one's interest by maintaining a fund (source of money) to cover possible losses rather than purchasing a commercial insurance policy. For self-insured plans, the employer assumes the financial risk of providing benefits. This means that the employer pays "out-of pocket" for expenses incurred up to the retained (deductible) amount. The employer then purchases commercial insurance to cover expenses over the deductible.

#### **SINGLE AUDIT**

An audit performed in accordance with the Single Audit Act of 1984, as amended in 1996, and United States Office of Management and Budget (OMB) Circular A-133, Audits of State and Local Governments. Effective December 2014 the OMB's Single Audit guidance was updated with the implementation of *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* – more commonly referred to as "Uniform Guidance". The Single Audit Act requires governments that incur expenses in excess of a specified amount for federally funded projects/programs in one fiscal year have one audit (i.e. Single Audit) performed to meet the needs of all Federal grantor agencies, thus reducing the overall costs of audits. This audit seeks to determine whether the recipient agency is in compliance with all internal control and other program guidelines which are conditions for receiving federal funding.

#### **SPECIAL REVENUE FUND**

A fund which is used to account for revenues which are designated by law for a specific purpose.

# **SRF (State Revolving Fund)**

A state revolving fund (SRF) is a fund administered by a U.S. State for the purpose of providing low-interest loans for investments in water and sanitation infrastructure (e.g., sewage, treatment, stormwater management facilities, drinking water treatment). An SRF receives its initial capital from federal grants and state contributions. It then emits bonds that are guaranteed by the initial capital. It then "revolves" through the repayment of principal and the payment of interest on outstanding loans.

#### **SUBVENTION**

Payments by an outside agency (usually a State or federal agency) for reimbursement of costs incurred by the City.

# SUPPLEMENTAL ASSESSMENT

An assessment of real property occurring after the regular assessment roll is filed on June 30th of each year as a result of new construction or a change in ownership.

(Continued)

#### **TAX INCREMENT**

Tax increment is the funding mechanism for Redevelopment Agencies in California. When Agencies provide or assist in providing financial assistance to improve blighted areas of a city, the associated assessed value of the improved real property increases. This "incremental" increase in assessed value results in an increase in property tax revenue which is known as "tax increment". Tax increment revenue must remain in the Redevelopment Agency to be used for repaying any debt incurred by the Agency and for additional approved projects. The use of tax increment revenue by Redevelopment Agencies is governed by the California Health and Safety Code.

See "Revenue Projections and Assumptions" section for a discussion regarding the dissolution of redevelopment agencies within California effective February 1, 2012.

### TRANSIENT OCCUPANCY TAX (TOT)

A tax that is imposed on occupants of hotel/motel rooms who are staying 30 consecutive days or less at a time. The City of Turlock TOT rate is 9% of the room rate.

#### **UNFUNDED LIABILITY**

Debt obligations that do not have sufficient funds set aside to pay the debt. This occurs when the value of the assets fall below the value of benefits obligated to pay, such as retirement benefits in a defined benefit retirement plan.

#### **UNSECURED TAX**

A tax on tangible personal property such as office furniture, equipment, and boats which are not secured by real property.

# **VACANT POSITION**

A position that is vacant, however, is budgeted.

#### YEAR-END

This term means as of June 30th (the end of the fiscal year).
